# Another Scientific Wonder! PEPSIN!

### AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice!

A GREAT DISPEPSIA CURER!

Prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D. No: 11, North

Eighth Street, Philadelphia, Pa. l'his is a truly wonderful remedy for In-digestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's-own-agent, the Gustric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Digestion. — Digestion is chiefly per-formed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great! Solvent of the Food, the Purifying, Preserve ing and Stimulating Agent of the stomach and intestines. Without it there will be no endeavor to execute their commissions with digestion -- no conversion of food into blood, and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus. A weak, half dead, or injured stomach produces no good Gastric Juice, and hence the

disease, distress and debility which ensue. Pepsin and Rennet .- Pepsin is the chief element, or great digesting principle of the Clastric Juice. It is found in great abundance in the solid parts of the human stomuch after death, and sometimes causes the stomach to digest itself, or eat itself up. It in every shape and form, is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy. The curdling of milk is the first process of digestion. Rennet possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. Baron Luebig states that, "One part of Pepsin dissolved in sixty thousand parts of water. will digest meat and other food." Diseased stomachs produce no good Gastric Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the

following Scientific Evidence!-Baron Liebig, in his celebrated work on Animal Chemistry. says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf. in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "it has been a question whether artificial digestion could be performed-but it is now universally admitted that it may be."

Professor Dunglison of Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examina-tion of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomac from animals are well known. "In all cases," "he says" "digestion occurred as perfectly in the artificial as in the natural di-

As a Dyspepsia Curer.—Dr. Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossi-ble to give the details of cases in the limits of this advertisement - but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but per-

manent. It is a great Nervous Antidote, and from he astonishingly small quantity necessary o produce healthy digestion, is believed to

Electro-Magnetic Principles !-There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and do of Tonawanda 50 vigor of body, follow at once.
