LOOK HERE! A Certain and Effectual Cure.

The subscriber, Druggist in the Borough of Bethlehem, Northampton county, adopts this method to inform sufferers of a Rheumatic complaint, be it Inflammatory, Chronic or Acute, that he prepares an article of medicine, that will effect a certain cure of this wide spread and painful disease. It is put up in Quart bottles, each bottle accompanied by a box of Ointment. The liquid to be taken internally, and the ointment externally. The genuine article can be had only by the undersigned, a practical Druggist and Chemist, and originator of the medicine.

Price two dollars per bottle, or six bottles for ten dollars—which will be sent to invalids in any part of the county, free of charge. All orders must be accompanied with the Cash, or they will receive no attention.

This medicine needs no puffing, it speaks for itself, while perfectly harmless in its operation it eradicates the system from the effects produced by unskillful treatment. It has already produced some astonishing cures, and of cases where the patient has been confined to the house for years, and those that got abroad only with the use of Crutches, were set at liberty by the use of one or six Bottles. Certificates of cures can be shown from the most respectable citizens.

None is genuine without his written signature in blue ink. **HENRY GANGWER, Proprietor, Bethlehem, Penn.**

December 12. **Brandreth's Pills, FOR THE CURE OF Consumption, Coughs, Colds, &c. TO THE PUBLIC!**

THOSE who are suffering from retarding or Intermitting Bilious Complaints, should read the following, and be guided thereby: Cause of Pain.—Pain is the consequence of the exertion of the organ or part where it is present to throw off morbid or corrupt humors, for no pain can exist but from the presence of those matters which are of an unhealthy character. When we have pain in the head, in the bowels, or in any other part of the body, it only proves the presence of matters which the blood is trying to remove, and it is this struggle which is the occasion of pain. To be bled, only removes the anguish in proportion as the amount of life is reduced, and the same may be said of all lulling or soothing remedies. Not so with Brandreth's Pills; they at once go to the assistance of the blood in aiding it to discharge bad humors, to conquer the Death Principle. To relieve pain in this way does not leave any bad effects. The Life Principle is not reduced, nor are the teeth destroyed; but all the organs are cleansed and their health insured.

The above Pills are for sale by the dozen or single box at the Register Office in Allentown. January 10.
