A Certain and Effectual Cure.

The subscriber, Druggist in the Borough of Bethlehem, Northampton county, adopts this method to inform sufferers of a Rheumatic complaint, be it Inflammatory, Chronic or Acute, that he prepares an article of medicine, that will effect a certain cure of this wide spread and painful disease. It is put up in quart bottles, each bottle accompanied by a box of Ointment. The liquid to be taken internally, and the ointment externally. The genuine article can be had only by the undersigned, a practical Druggist and Chemist, and originator of the medicine.

Price two dollars per bottle, or six bottles for ten dollars—which will be sent to individuals in any part of the county, free of charge. All orders must be accompanied with the Cash, or they will receive no attention.

This medicine needs no puffing; it speaks for itself, while perfectly harmless in its operation it eradicates the system from the effects produced by unskillful treatment. It has already produced some astonishing cures, and of cases where the patient has been confined to the house for years, and those that get abroad only with the use of Crutches, were set at liberty by the use of from one to six Bottles. Certificates of cures can be shown from the most respectable citizens.

None is genuine without his written signature in blue ink.
