Good & Schrav,

RESPECTFULLY inform their many friends and the public in general, that they have lately established themselves in the fashionable
Boot & Shoe BUSINESS
one door east of Gangewer's Hat Store, and nearly opposite the "Register" Printing Office. They have just received from Philadelphia, one of the largest and best selected assortment of STOCK ever brought to Allentown. They have purchased for cash, and are determined to do business upon no other but the

Cash Principle.
They would here beg leave to state, that customers shall save themselves the trouble of asking a credit, as they will positively refuse it. To such, however, who will deal with them upon the Cash principle, will find a difference in the price of Boots and shoes equal to 25 per cent. less than they pay upon a Credit.

They will always be prepared to do custom work at the shortest notice, and will do up Ladies and Gentlemen's work in the latest and most fashionable styles. Ladies', Misses and Children's fancy dress shoes, and Gentlemen's and Boys fine and coarse Boots, always kept on hand.

They hope by practical attendance to business and such reduced prices, to be able to merit a share of public patronage.

ARNOLD'S PATENT SASH LOCK.

The subscribers take this method to inform the citizens of Allentown, and the surrounding country, that they have lately purchased the right of

Arnold's Patent Sash Lock
for Lehigh county. This Lock, for simplicity goes ahead of any thing in the way of Sash Locks ever got up, and is even superior to the Sash Weights, and at less than one-fourth the cost.

As an evidence of its simplicity and durability we would only mention, that it has taken the premiums of all the Fairs, where it has been exhibited for competition. Of this number is the "New York State Fair of 1849 and 1850" "State Fair of Maryland in 1850, and Fair of the American Institute" in 1850. Hundreds of recommendations might be added, but we deem it unnecessary, as the article will recommend itself.

Another Scientific Wonder!
PEPSIN,
AN ARTIFICIAL DIGESTIVE

Fluid, or Gastric Juice!
A GREAT DISPEPSIA CURE!

Prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours, out of the stomach.

Digestion.—Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the stomach and intestines. Without it there will be no digestion—no conversion of food into blood, and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus. A weak, half dead, or injured stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensue.

Pepsin and Rennet.—Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy. The curdling of milk is the first process of digestion. Rennet possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. Baron Liebig states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the following

Scientific Evidence!—Baron Liebig, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "it has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Professor Duglison of Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," he says "digestion occurred as perfectly in the artificial as in the natural digestions."

As a Dyspepsia Curer.—Dr. Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to act upon

Electro-Magnetic Principles!—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the Blood, Heaviness, Lowness of Spirits, Dependancy, Emucation, Weakness, tendency to Insanity, Suicide, &c.

Price one dollar per bottle. One bottle will often effect a lasting cure.
