**Assortment of Stoves**

ever brought to Allentown, among which are  
the newest and best Cooking, Koenig, Office  
and Parlor Stoves, for wood and coal. The

**LOOK HERE!  
A Certain and Effectual Cure.**

The subscriber, Druggist in the Borough  
of Bethlehem, Northampton county, adopts  
this method to inform sufferers of a Rheu-  
matic complaint, be it Inflammatory, Chronic  
or Acute, that he prepares an article of medi-  
cine, that will effect a certain cure of this  
wide spread and painful disease. It is put  
up in Quart bottles, each bottle accompan-  
ied by a box of Ointment. The liquid to be  
taken internally, and the ointment external-  
ly. The genuine article can be had only  
from the undersigned, a practical Druggist  
and Chemist, and originator of the medicine.

Price two dollars per bottle, or six bottles  
for ten dollars—which will be sent to in-  
valids in any part of the county, free of charge.  
All orders must be accompanied with the  
Cash, or they will receive no attention.

This medicine needs no puffing, it speaks  
for itself, while perfectly harmless in its op-  
eration it eradicates the system from the  
effects produced by unskillful treatment. It  
has already produced some astonishing  
cures, and of cases where the patient has  
been confined to the house for years, and  
those that got abroad only with the use of  
Crutches, were set at liberty by the use of  
from one to six bottles. Certificates of  
cures can be shown from the most respect-  
able citizens.

None is genuine without his written  
signature in blue ink.

**Baker's Improved Churn.**

With Double Spiral Wheel.

So numerous are the Churns, that we had  
almost come to the conclusion, that all were  
but mere modifications without any essen-  
tial improvement and under these impres-  
sions we slightly examined this Churn.—  
Closer investigation, however, has led us to a  
different conclusion. As the most simple  
and the least observable improvement is of-  
ten the most important, appears to be the  
case here. Mr. Baker's Churn is simple,  
durable and not liable to get out of repair,  
easily worked, secures a constant supply of  
pure air, displacing the gas as it is created,  
and produces thorough and rapid agitation  
of the cream. The mechanical construction  
of the Paddles is such as to be the most  
perfect in bringing the Butter together  
in five to twenty minutes.

The good qualities of the Churn, have  
been fully established, as it has been tested  
in trials with other Churns, and has brought  
butter in far less time, and in much greater  
quantity and of a better quality.

The simplicity of construction renders  
the cleaning of this Churn less laborious  
than any other now in use. They may be  
examined and purchased from the subscri-  
ber, at his workshop, near Siegersville,  
North Whitehall township, Lehigh county,  
on very reasonable terms.

**ARNOLD'S  
PATENT SASH LOCK.**

The subscribers take this method to in-  
form the citizens of Allentown, and the sur-  
rounding country, that they have lately pur-  
chased the right of

**Arnold's Patent Sash Lock**

for Lehigh county. This Lock, for simpli-  
city goes ahead of any thing in the way of  
Sash Locks ever got up, and is even superi-  
or to the Sash Weights, and at less than one-  
fourth the cost.

As an evidence of its simplicity and du-  
rability we would only mention, that it has  
taken the premiums of all the Fairs, where  
it has been exhibited for competition. Of  
this number is the "New York State Fair" of  
1849 and 1850, "State Fair of Mary-  
land" in 1850, and Fair of the American In-  
stitute" in 1850. Hundreds of recommen-  
dations might be added, but we deem it un-  
necessary, as the article will recommend  
itself.
