SOMETHING NEW!

Bureau's Sky-Light

DAQUERREAN ROOMS.

The subscriber respectfully informs the public in general, that he has just opened his SKY-LIGHT DAQUERREAN ROOMS, expressly constructed for the purpose of taking superior Daguerreotypes, in Hamilton Street, a few doors below the German Reformed Church, third story of the newly erected building occupied by Mr. J. H. Bush as a Store and Tinware Depot.
As it is a well established fact, that Daguerrean Likenesses in true perspective can only be taken by Sky-Light. The position of his rooms for blending beauty of light and shade, enables him to give the most splendid and the most life like expressions, and as he has determined not to pass off any picture unless perfect in every respect, he would respectfully solicit all those who wish to have a correct likeness of high finish, to favor him with a call.
Likenesses taken of all sizes, with or without colors, single or in groups, in a style not surpassed in this place or the largest Cities, on cloudy as well as clear days, on the very best of plates, in cases, lockets, breast-pins, finger-rings, &c. Such are the advantages of Sky-Light, that he is enabled to produce perfect likenesses of children in the short time of only 2 seconds.
We recommend ladies to dress in figure or dark dresses.
Prices of Pictures according to size and finish.—All pictures warranted durable.
Entrance to the above Rooms at the first Alley below J. H. Bush's ware-room.
N. B. Instruction given in the art, and apparatus and stock furnished at city prices.
