N. D. KNIGHT
Manufacturer of Improved Chain Pumps.
ALLENTOWN LEHIGH COUNTY.

The undersigned takes this method to inform the public generally, that he continues to manufacture the new and Improved Chain Pumps with Iron Curb,

for which he has just got out a new pattern and is now prepared to fill orders for same. A constantly increasing demand for these Pumps, resulting in part from the great improvements we have lately effected in their construction, affords, substantial evidence of their superior adaptation to the public wants.

We, therefore, have no hesitation in saying that they give better satisfaction to purchasers, are more economical, and do their work more rapidly and with less expenditure of labor than any other Pumps in use.

Their operation gives motion to the water, and thus effectually prevents it from becoming stagnant and impure. They are made so as to be readily put in operation, even by experienced hands—can be put together at the Factory or be sent away in parts, as customers prefer; and they can be easily and cheaply transported to any part of the country.

PEPSIN! AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice!

A GREAT DISPEPSIA CURER!
Prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice.

It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up.

It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy.

Scientific Evidence!—Baron Liebig, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Wilson & Co., New York, page 35, states the same fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

As a Dyspepsia Curer.—Dr. Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia, New York, and Boston alone.

These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent. It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to act upon

Electro-Magnetic Principles!—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once.

It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the Blood, Heaviness, Lowness of Spirits, Dependancy, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price one dollar per bottle. One bottle will often effect a lasting cure. Pepsin in Powders, Sent by Mail, Free of Postage.

For convenience of sending to all parts of the country, the Digestive matter of the pepsin is put up in the form of Powders, with directions to be dissolved in diluted alcohol, water, or syrup, by the patient.

These powders contain just the same matter as the bottles, but twice the quantity for the same price, and will be sent by mail, free of Postage, for one dollar sent (postpaid) to Dr. J. S. Houghton, No. 11 North Eighth Street, Philadelphia, Pa.

Six packages for five dollars. Every package and bottle bears the written signature of J. S. Houghton, M. D., Sole Proprietor.
