PEPSIN AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice

> Prepared from Rennet, or the fourth Stomuch of the Ox, after directions of Baron Lie big, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

A GREAT DISPEPSIA CURER!

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours,

out of the stomach. Digestion. - Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner cont of that.organ, when in a state-of-health, called the Gustric Juice. This fluid is the Great Sovent of the Food, the Purifying, Preserva ing and Stimuating Agent of the stomach and intestines. Without it there will be no digestion -- no conversion of food into blood. and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whoe digestive apparatus. A weak, haf dead, or injured stomach produces no good Gastric Juice, and hence the

disease, distress and debility which ensue. Pepsin and Rennet .- Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the soid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy. The curdling of mik is the first process of digestion. Rennet possesses astonishing power. The sto-mach of a calf will curdle nearly one thousand times its own weight of milk. Baron Liebig states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastrie Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the

following Scientific Evidence!-Baron Liebig, in the above inentioned Institution, and are now his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Call, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human sto:nach."

Dr. Pereira, in his famous treatise on Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of proparation. There are few higher authorities than Dr. Percira Dr. John W. Draper, Professor of Chemistry in the Medical College of the Uni-

versity of New York, in his "Text Book of

Chemistry," page 386, says, "it has been a question whether artificial digestion could he performed-but it is now universally admitted that it may be." Professor Dunglison of Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," "he says" "digestion occurred as pet-

fectly in the artificial as in the natural diestions. As a Dyspepsia Curer .- Dr. Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement - but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but per-

manent. It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to

act upon Electro-Magnetic Principles!-There is no form of Old Stomach Complaints which: it does not seem to reach and remove at once... No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after enting, low, cold, state of the Blood, Henviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tenden-

cy to Insanity, Suicide, &c. Price one dollar per bottle. One bottle. will often effect a lasting cure.

PEPSIN IN POWDERS, Sent by Mail, Free of Postage. For convenience of sending to all parts of the country, the Digestive matter of the pepsin is put up in the form of Powders, with directions to be dissolved in diluted alcohol, water, or syrup, by the patient. These powders contain just the same matter as the bottles, but twice the quantity for the same price, and will be sent by mail, free of Post. age, for one dollar sent (postpaid) to Dr. J. S. Houghton, No. 11 North Eight street, Philadelphia, Pa. Six packages for five dollars. Every
