PEPSIN!

AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice'

A GRÉAT DISPEPSIA CURER! Prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Lie big, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspensia, Jaundice, Liver Complaint, Constitution, and Debility, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused. in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours out of the stomach.

Digestion. - Digestion is chiefly per-formed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great-Sovent of the Food, the Purifying, Preserv-Since their incorporation, a period of eighteen years, they have paid upwards of one million two-hundred thousand dollars, losses by fire, there by affording evidence of the advantages of insurby affording evidence of the ing and Stimuating Agent of the stomach and intestines. Without it there will be no. and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whoe digestive apparatus. A weak, haf dead, or injured stomach produces no good Gastric Juice, and hence the

disease. distress and debility which ensue. Pepsin and Rennet .-- Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the soid parts of the human stomuch after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy. The curdling of mik is the first process of digestion. Rennet possesses astonishing power. The stomuch of a calf will curdle nearly one thousand times its own weight of milk. Baron Lucbig states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the

following Scientific Evidence!—Baron Liebig, in his celebrated work on Animal Chemistry. nient, and an attentive and faithful hostler says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calt, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereim, in his famous treatise on Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities then Dr. Pereira Dr. John W. Draper, Professor of Chemistry in the Medical College of the Uni-

versity of New York, in his "Text Book of Chemistry," page 350, says, "it has been a question whether artificial digestion could be performed-but it is now universally admitted that it may be." Professor Dunglison of Philadelphia, in

his great work in Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Benumont, on the Gastric Juice, ob-Al tained from the living human stomach and Prenton bank. co. par from animals are well known. "In all caene" "he says" "direction occurred as perfeetly in the artificial as in the natural digestions." As a Dyspepsia Curer .- Dr. Houghton's

preparation of Persin has produced the most marvellous effects, curing cases of De-bility, Emacation, Nervous Decline, and Dyspectic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement - but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia. New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but per-

manent. It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to

act upon Electro-Magnetic Principles !- There is no form of Old Stomach Complaints which t does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the Blood, Fleaviness, Lowness of Spirits, Despondency, Emaciation, Weakness, tenden-

cy to Insanity, Suicide, &c.
