GRAND LITERARY AND ARTISTIC COMBINATION.

Arrangements have been made to furnish the KNICKERBOCKER MAGAZINE, the HOME JOURNAL, and the NEW YORK MUSICAL WORLD and Times, to new subscribers, for five dollars a year! This is cheap literature with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for five dollars a year, is a fact truly worthy the notice of every man of letters.

These three works can be obtained for five dollars a year, is a fact truly worthy the notice of every man of letters. Of the Knickerbocker Magazine, edited by LEWIS GAYLORD CLARK, it is unnecessary to speak. For twenty years it has been "monthly" in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris, and N. P. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storr Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. B. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical Journal, ever published. These three publications will post a family up in regard to nearly everything worth knowing; Art, Science, Literature; Music, Painting, Sculpture; Inventions, Discoveries; Wit, Humor, Fancy, Sentiment; Newest Fashions and other attractions for Ladies; Choice New Music for the Sabbath, the Church and the Fireside; Reviews and Criticisms of Musical Works, Performers and Performances; in short the very pick and cream of Novelty, Incident, History, Biography, Art, Literature, and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser and Happier, may be now obtained for five dollars. Address DYER & WILLIS, 257 Broadway.

Editors publishing the above three times, and sending the papers containing it to Dyer & Willis, will receive the three works named, for one year.

PEPSIN!

AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice!

A GREAT DISPEPSIA CURER! Prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours out of the stomach.

Digestion.—Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the stomach digestion. Without it there will be no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus.

A weak, flat head, or injured stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensue.

Pepsin and Rennet.—Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy.

The curdling of milk is the first process of digestion. Rennet possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. Baron Liebig states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the following:

Scientific Evidence!—Baron Liebig, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Wilson & Co., New York, page 36, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York, in his "Text Book of Chemistry," page 386, says, "it has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Professor Duglison of Philadelphia, in his great work on Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach and from animals are well known. "In all cases," "he says" "digestion occurred as perfectly in the artificial as in the natural digestions."

As a Dyspepsia Curer.—Dr. Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to act upon

Electro-Magnetic Principles!—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the pendancy, Emaciation, Weakness, tendency to Insanity, Suicide, &c.

Price one dollar per bottle. One bottle will often effect a lasting cure.

PEPSIN IN POWDERS.

Sent by Mail, Free of Postage. For convenience of sending to all parts of the country, the Digestive matter of the pepsin is put up in the form of Powders, with directions to be dissolved in diluted alcohol, water, or syrup, by the patient. These powders contain just the same matter as the bottles, but twice the quantity for the same price, and will be sent by mail, free of Postage, for one dollar sent (postpaid) to Dr. J. S. Houghton, No. 11 North Eighth Street, Philadelphia, Pa.

Six packages for five dollars. Every package and bottle bears the written signature of J. S. Houghton, M. D., Sole Proprietor.
