PEPSIN!

AN ARTIFICIAL DIGESTIVE Fluid, or Gastric Juice! A GREAT DISPEPSIA CURE!

Prepared from Rennet, or the fourth Stomach of the Ox, after directions of Baron Liebig, the great Physiological Chemist, by J. S. Houghton, M. D., No. 11, North Eighth Street, Philadelphia, Pa.

This is a truly wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation, and Debility, curing after Nature's own method, by Nature's own agent, the Gastric Juice.

Half a teaspoonful of this Fluid, infused in water, will digest or dissolve, Five Pounds of Roast Beef in about two hours out of the stomach.

Digestion.—Digestion is chiefly performed in the stomach by the aid of a fluid which freely exudes from the inner coat of that organ, when in a state of health, called the Gastric Juice. This fluid is the Great Solvent of the Food, the Purifying, Preserving and Stimulating Agent of the stomach and intestines. Without it there will be no digestion—no conversion of food into blood, and no nutrition of the body; but rather a foul, torpid, painful, and destructive condition of the whole digestive apparatus.

A weak, bad, or injured stomach produces no good Gastric Juice, and hence the disease, distress and debility which ensue.

Pepsin and Rennet.—Pepsin is the chief element, or great digesting principle of the Gastric Juice. It is found in great abundance in the solid parts of the human stomach after death, and sometimes causes the stomach to digest itself, or eat itself up. It is also found in the stomach of animals, as the ox, calf, &c. It is the material used by farmers in making cheese, called Rennet, the effect of which has long been the special wonder of the dairy. The curdling of milk is the first process of digestion. Rennet possesses astonishing power. The stomach of a calf will curdle nearly one thousand times its own weight of milk. Baron Liebig states that, "One part of Pepsin dissolved in sixty thousand parts of water, will digest meat and other food." Diseased stomachs produce no good Gastric Juice, Rennet or Pepsin. To show that this want may be perfectly supplied, we quote the following

Scientific Evidence.—Baron Liebig, in his celebrated work on Animal Chemistry, says: "An Artificial Digestive Fluid may be readily prepared from the mucous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened, changed, and digested, just in the same manner as they would be in the human stomach."

Dr. Pereira, in his famous treatise on "Food and Diet," published by Wilson & Co., New York, page 35, states the same great fact, and describes the method of preparation. There are few higher authorities than Dr. Pereira.

Dr. John W. Draper, Professor of Chemistry in the Medical College of the University of New York, in his "Text Book of Chemistry," page 336, says, "it has been a question whether artificial digestion could be performed—but it is now universally admitted that it may be."

Professor Duglison of Philadelphia, in his great work in Human Physiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice, obtained from the living human stomach, and from animals are well known. "In all cases," he says, "digestion occurred as perfectly in the artificial as in the natural digestions."

As a Dyspepsia Curer.—Dr. Houghton's preparation of Pepsin has produced the most marvellous effects, curing cases of Debility, Emaciation, Nervous Decline, and Dyspeptic Consumption, supposed to be on the very verge of the grave. It is impossible to give the details of cases in the limits of this advertisement—but authenticated certificates have been given of more than 200 Remarkable Cures, in Philadelphia, New York, and Boston alone. These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

It is a great Nervous Antidote, and from the astonishingly small quantity necessary to produce healthy digestion, is believed to act upon

Electro-Magnetic Principles!—There is no form of Old Stomach Complaints which it does not seem to reach and remove at once. No matter how bad they may be, it gives instant relief! A single dose removes all the unpleasant symptoms, and it only needs to be repeated, for a short time, to make these good effects permanent, purity of blood and vigor of body, follow at once. It is particularly excellent in cases of Nausea, Vomiting, Cramps, Soreness of the pit of the Stomach, distress after eating, low, cold, state of the Blood, Heaviness, Lowness of Spirits, Tendency to Insanity, Suicide, &c.

Price one dollar per bottle. One bottle will often effect a lasting cure.

PEPSIN-IN-POWDERS, Sent by Mail, Free of Postage. For convenience of sending to all parts of the country, the Digestive matter of the pepsin is put up in the form of Powders, with directions to be dissolved in diluted alcohol, water, or syrup, by the patient. These powders contain just the same matter as the bottles, but twice the quantity for the same price, and will be sent by mail, free of Postage, for one dollar sent (postpaid) to Dr. J. S. Houghton, No. 11 North Eighth Street, Philadelphia, Pa.

Six packages for five dollars. Every package and bottle bears the written signature of J. S. Houghton, M. D. Sole Proprietor.

Agents wanted in every town in the United States. Very liberal discounts given to the trade. Druggists, Postmasters, and Bookellers are desired to act as agents.

EAGLE HOTEL.

The subscriber respectfully informs his friends and the public generally, that he has taken the newly erected three story brick tavern of Jesse Grim, at the north west corner of Market Square, in the Borough of Allentown, called

THE EAGLE HOTEL.

The House is known as one of the most spacious and convenient in the State—none more so out of Philadelphia—and contains 44 rooms. He therefore feels assured that he can accommodate satisfactorily all who may favor him with a call.

His TABLE shall at all times be supplied with the best season and the markets afford, and the Bar with the choicest Wines and Liquors.

The Beds and Bedding, together with all his furniture being entirely new, the patrons of this house may rely upon finding those two great essentials—cleanliness and comfort.

The Stabling is large and commodious, and as he will have none but kind and attentive Ostlers a due regard will be had to the proper entertainment of the House as well as his master.

In short, the subscriber intends to spare neither pains nor expense to keep his house in the best manner, and he therefore respectfully invites the public to give him a liberal share of patronage.

BOARDERS will be taken on reasonable terms, and as the rooms are spacious and well adapted to their wants, they can be accommodated in a satisfactory manner. Families from town or county accommodated with Boarding.

JAMES W. ESBACH. Allentown, Nov. 24, 1852.

Hope's Express.

Among the various Expresses that have recently extended their operations, and entered upon a new field of enterprise, we know none which is more hopeful than Hope's New Jersey and Pennsylvania Express, via Central Rail Road of New Jersey.

This road extends from New York to Easton, Pa., and runs through a splendid country—affording an avenue to the interior of Pennsylvania hitherto closed up. The superiority of this market for buying and selling goods is bringing a large amount of trade here, which formerly went to Philadelphia. The advantage of Hope's Express, by which merchandise of all descriptions can be forwarded promptly, when fully realized on the above route, will insure a complete success and prosperity. A. D. HOPKINS has made arrangements with the Central R. R. Co. and various Stage proprietors to sell Tickets through to Wilkesbarre, Mauch Chunk, Reading, &c., at reduced fares.

Office of Hope's Express, in Allentown, at the Variety Store of AARON WINTK, who will attend to the forwarding of all packages.
