NOTICE.
To the Tax Collectors and Tax Payers of Lehigh County.

Whereas a number of the citizens of Lehigh county have expressed a desire to pay their taxes during the month of July, in order to secure the 5th per cent discount provided for by several acts of assembly of this Commonwealth, and in order to maintain the honor and credit of the county the Commissioners have
Resolved—That the respective Collectors of the County, State and Militia Taxes, levied and assessed on the property and things in the county of Lehigh, be and they are hereby respectively authorized and directed to make an abatement of 5 per cent on the amount of State tax to each and every person named in their respective Duplicates, who, on or before the 25th day of July next pays their whole amount of County, State and Militia Taxes, to them respectively charged for the year A. D. 1853.
The several collectors of North and South Wards, of Allentown, Upper Macungie, Upper Saucon, Hanover and Lowhill, are directed to pay over to Ephraim Yohe, Treasurer, at his office in West Hamilton street, Allentown, all monies so collected as County and State taxes and militia fines on or before the 25th day of July next. Those of the townships of Upper and Lower Milford, North Whitehall, Lower Macungie, Lynn and Weissburg, on Wednesday the 27th day of July next.
We wish to direct the attention of the collectors to the fact, that no paper money of any denomination, of a less denomination than five dollars, and only such as is par in Philadelphia (except Relief notes) will be received for taxes.
For the benefit of the collectors, we will say to them: be on their guard in taking notes of the following Banks, as there are many Counterfeits on them of various denominations to wit: The Harrisburg Bank, old issue; Middletown Bank; and Relief; Northumberland Bank; Schuylkill Bank; Doylestown Bank; Lancaster Bank; 10's and 20's and Relief. The Farmers and Drovers' Bank of Waynesburg, Honesdale Bank, and Erie Bank, are not par.
The collectors and tax-payers will also bear in mind, that the final settlement of the taxes will have to be made speedily, that the forbearance extended heretofore can, in no wise be allowed hereafter; the collector need not be put off with a promise to pay him next winter or spring—it will avail nothing.
It is expected the collectors will strictly adhere to the above in the discharge of their duties.

Pelton's System of Geography

Splendid Outline Maps.
This system of teaching Geography is rapidly becoming introduced in all the schools throughout the country. The series consists of seven maps, each covering about fifty square feet, boldly delineated, brilliantly colored, varnished and mounted, and forming the most magnificent, as well as the most useful part of the furniture of the school room.

Pelton's Key to Hemispheres.
This is intended for the use of pupils commencing the study, and a good knowledge of the Geography of the world may be obtained from it.

Pelton's Key to Full Series,
Containing a minute description of each state and country, the political and physical features of the earth, &c., forming a complete epitome of the whole subject. Where these keys are used in connection with the maps, no other work is necessary in the hands of the pupil, and their cost is about one third the usual price of a Geography and Atlas.

Wherever this system has been tried, it has excited the admiration of all who witnessed it, and we might fill a volume with the testimonials received in its favor. We append but one.

Reading, March 1853.
Believing the introduction of Pelton's system of teaching Geography by the use of his series of Outline Maps, into the schools of our city, would enable the pupils to acquire a better, more lasting, and more practical knowledge of that science, than is generally acquired, and in one fourth of the time usually devoted to that study, the undersigned, Teachers in Reading, most cheerfully recommend it to the Directors of the different wards, for their adoption.
