

GLEANINGS.

California State election takes place on the 7th of September. Why is a child like a compass? Because it is often bored. Schocking! Elizabeth Rudisill, residing in Hanover, this State, is one hundred and two years of age. The old lady goes fishing occasionally. The Peru, Ill., Chronicle, of the 10th, says that \$12,000 were paid out for corn in that city during the past week. The market rates for a good article were 54 to 55 cents per bushel. Since the 5th of July there have been sold at the Clinton, Mo., Land Office, 120,000 acres. A part of the proceeds, one hundred thousand dollars in coin, were carried to St. Louis. Florida is represented at the World's Fair in New York, by sundry large agriculturists. The barn and contents of Charles Beck, in Forkes township, Northampton county, was destroyed by fire on Saturday last. The Brick Masons in Sacramento, Cal., have determined upon \$10 per day, as their rates of wages. Ex-Gov. Brown, Minister to Berlin, has selected Jas. M. Porter, Jr., of Easton, Pa., as his Private Secretary. Cancellation of Relief Notes.—The Commissioners of the Sinking Fund of the State caused to be cancelled to-day September 1st, Relief Notes to the amount of \$92,698. An Eccentric Member of Congress.—Hon. Caleb Lyman, who has just returned from a visit to Europe, is a member of Congress elect from the western section of New York, and is said to be talented and exceedingly eccentric. A correspondent of the Philadelphia Inquirer says: "We have seen him before now, with a plaid silk cravat, monkey jacket and green and black pants, in a gay ball room, the observed of all observers, perfectly at home in his oddities, and really beloved by all who knew how good a heart is hidden behind his California rig. He devised the seal of the State of California—was Clerk of the Constitutional Convention of that State—has been bearer of despatches to China and Brazil, I believe—came home from California and stumped it for Assembly three years ago and succeeded—when the Democrats resigned to defeat the Canal Bill, he too resigned to defeat the Senator from his district—was elected—ran as stump candidate for Congress—was elected, of course—can make as telling a speech, or as taking a fugitive poem as almost anybody—and we predict will be the first man asked for by strangers in the gallery of the House of Representatives, after Congress meets."

Whig State Convention.

HUNTINGDON, August 25.—The Pennsylvania Whig State Convention met here this morning, at 11 o'clock, for the purpose of nominating a candidate for the office of Judge of the Supreme Court. On motion of C. T. Jones, John Fenlon, Esq., of Cambria county, was appointed temporary Chairman, and R. A. Scofield and Peter Sailor, Esq., Secretaries. On motion of M. Myers, a committee was appointed to report permanent officers, and the Convention adjourned until 2 o'clock. On re-assembling JACOB GOSSLER was chosen President of the Convention, and a number of Vice Presidents and Secretaries were appointed. Mr. Gessler, on taking the Chair, made an eloquent address, which was enthusiastically applauded. David Blair, Esq., then submitted a resolution declaring it to be inexpedient to nominate a candidate for the Supreme Bench, and recommending the Hon. Thomas S. Bell, of Chester county, to the support of this people as an independent candidate. This resolution was, on motion of John Fenlon, Esq., amended so as to provide for the appointment of a committee to report resolutions expressive of the sense of the Convention. This committee was as follows: George W. Elder, Millin; James M. Sellers, Juniata; Wm. H. Irwin, Mifflin; D. E. Stout, Berks; S. B. Lauffer, Westmoreland; J. J. Patterson, Dauphin; Daniel Herr, Lancaster; W. S. Roland, York; John Fenlon, Cambria; C. N. Taylor, Berks, who immediately retired to discharge the duty assigned them. During the absence of the Committee on Resolutions, David F. Robinson, Esq., of Franklin, and John Williamson, Esq., of Huntingdon, were called upon and addressed the Convention. The committee, on their return, reported the following resolutions, which were unanimously adopted: Resolved, That we reaffirm our adherence to time honored principles of the Whig party, and shall ever consider it our duty, as well as pleasure, to give them all the support we can command. Resolved, That we condemn the policy pursued by Gov. Bigler and his administration, in adding thousands to our already enormous debt. Resolved, That we recommend the sale of the Public Works of the State, that the people may once more thoroughly be relieved from the burthen of taxation. Every consideration of public policy demands that the Public Works be placed beyond the reach of speculators and party, or personal favorites—corrupting as they now are to public and party morals, at the expense of our honest toiling people. Resolved, That the tax payers of this Commonwealth are requested to look at the reports made by those interested in the continuation of the present system of our Public Works, representing them as profitable to the State, and producing a large amount of revenue, and ask themselves if this can be true, while the heavy taxes levied upon the people for the payment of the interest of the State debt, and for the support of these same Public Works, for the erection of which the debt was contracted. Resolved, That we are in favor of the sale of the Public Works for the purpose of reducing the State debt, the repeal of the State tax, and to prevent the annual accumulation of a floating State debt, which causes poor laborers and others employed on the State works to be shaved twenty per cent. or more of their hard-earnings, to obtain the necessities for the support of their families, while the laborers on the public works of corporations or companies, are regularly paid in cash for their services. Resolved, That we are in favor of the construction of a Railroad to the Pacific, either by combined or individual effort, or by the General Government—provided it can be done by the latter without involving the nation in a serious debt, or infusing corruption and speculation to the injury of the country. Resolved, That we are still the advocates of the Whig policy, as it regards the protection of labor, internal improvements, and the support of a pure and independent judiciary. Resolved, That this Convention approve the nominations made by the Democratic Whig State Convention of March last, for the offices of Auditor General, Surveyor General, and Canal Commissioner; and that believing them to be eminently worthy, and well qualified to fill the respective offices for which they have been nominated, earnestly and unitedly recommend them to the active and zealous support of the people of Pennsylvania. Resolved, That we sincerely regret the decease of that amiable and honest man, that true Whig and patriot, John Price Wetherill, of Philadelphia. His eminent services to his party, and his wide spread benevolence to his fellow men, have enshrined him in the grateful hearts of his fellow citizens. His memory shall grow brighter as years pass away. John Fenlon, Esq., then offered the following: Resolved, That we deem it inexpedient for this Convention to nominate a candidate for Supreme Judge; but that the judicial experience and integrity of the Hon. Thomas S. Bell, commends him as a suitable candidate for their support. David F. Robinson, Esq., moved to amend by striking out the name of Judge Bell, and inserting that of Alexander King, Esq., of Bedford. This amendment gave rise to a long discussion, in which the whole subject was discussed pro and con—Messrs. John Fenlon, Jacob Hoffman and Wm. H. Irwin favoring the original proposition, and Messrs. D. F. Robinson, Caleb N. Taylor, C. Thomas Jones and Mathias Myers opposing it. After which a motion was made, and carried to proceed to ballot for a candidate. The names of George Taylor, of Huntingdon, Alexander King, of Bedford, and Thos.

as A. Budd, of Philadelphia, were placed in nomination. On the third ballot, Thomas A. Budd was nominated by a majority of one vote, and was subsequently declared unanimously confirmed, by the Convention, as the Whig candidate for the Supreme Judgeship, to fill the place made vacant by the death of Judge Gibson. The Convention then adjourned.
