Respectfully informs his friends and the public in general, that he still continues the practice of his profession, in all its various branches, such as filing, cleaning, plugging and inserting from a single tooth to a full set, on moderate terms. His office is in Allen Street, one door South of Dr. C. L. Martin, No. 43. Allentown, August 10.

### An Ordinance

Relative to the Streets, Alleys, Pavements and Gutters in the Borough of Cata-

Sect. 1. Be it ordained and enacted by the authority of the corporators of the Borough of Catasauqua, and it is hereby ordained and enacted by the authority of the same,

That the survey and drafts for the regulation and grading of the Streets and Alleys of said Borough, made by E. Mertz, be and the same is hereby adopted and continued in full force and virtue, subject nevertheless to such alterations and amendments as have heretofore been made or shall hereafter be made by the authority of the said Council.

Sect. 2. From and after the passing of this Ordinance, it shall be the duty of all owners of ground adjoining such Streets or parts of Streets as are now or may hereafter be regulated and graded as aforesaid, on notice given as is hereinafter provided, to cause the said walk or footway along their respective ground to be paved with good paving brick or plank, and support the same with good curb stone of sufficient length and depth and of an equal thickness on the top, so hewn as to form even joints and present a fair surface on the top and front, and rounded at the corners of Streets and Alleys, which said payement shall be of the width hereafter to be established from the line of said adjoining lots to the outside of the curbstone, and with an inclination towards the Street of an half an inch to the foot provided that at all places on said Streets where there are no buildings erected, the pavement shall be deemed sufficient within the meaning of this Ordinance if curbed and laid as herein provided, of the width of five feet from the curb stone, but in such case the space between said pavement and the line of said lot shall be filled up with Gravel to the level of the pavement, in such manner as to support it, and conduct without obstruction the water falling thereon, into the Street. All private cartways or passages crossing any pavement along said Street, shall be paved by the person or persons for whose use the same may be required, with hard brick laid on their narrowest edges or with river paving stones with a foot path of custom-house stores, the choicest WINES, flat stones of the width of at least two feet LIQUORS, &c., such as across the same, and even with the level of the pavement on either side of said cartway or passage, and the owner or owners of lots adjoining the Streets, so as aforesaid graded, shall also pave or cause to be paved with river stones, a Gutter of sufficient width from the curb stone, nine inches deep at the curb, for the purpose of conducting the water past and along their respective lots, and in laying. and setting said curb-stones, pavements, cartways, passages and gutters, the persons hereby required to lay and set the same shall be governed by, and conform to, the directions

and instructions of the Borough Engineer. Sect. 3. In all Streets where curb stones. pavements and gutters have heretofore been laid in conformity with the proper grade but not of the width herein designated, it shall be the duty of the Borough Engineer on the written request of two thirds of the persons owning lots, forming the side of any one square in said streets, to proceed forthwith to ascertain and mark on the ground the proper grade and width of the curbs, pavements and gutters therein, and make report thereof in writing to the Burgess, whose duty it shall be to notify and require all the said owners to proceed within thirty days, to alter the same in such manner, as to conform to the provisions of this ordinance and the gen eral regulations of the Borough. Sect. 4. If the owner of any ground ad-

joining any Street so as aforesaid regulated and graded, shall after sixty days notice given to him by the Burgess neglect or refuse to comply with the provisions of this ordinance, it shall be the duty of the said Burgess forthwith to cause the necessary curbs, gutters, pavements and cartways to be laid, set or altered as the case may be under the direc-tions of the Borough Engineer keeping an accurate account of the necessary expences attending the same, and within thirty days thereafter to file in the office of the Prothonotary of the county a statement thereof and a claim therefor with the addition of twenty per centum against the lot or lots along which the said curbs, gutters, pavements and cartways, shall have been contracted, and proceed to collect the same for the use of the corporation, as authorized and required by the sixth division of the second section of an Act of Assembly, of April 3d, 1851, entitled "An Act regulating Boroughs."

Secr. 5. It shall be the duty of all owners of lots adjoining streets, which shall have been regulated, graded and paved as aforesaid, to keep such curbs, gutters and pavements in good repair and in proper condition to carry the water that may fall thereon, without obstruction, and if any such owner shall hereafter neglect or refuse so to do after five days notice given as aforesaid, it shall be the duty of the Burgess to direct the street commissioners forthwith to repair the same, and collect the monies expended in so doing in the manner provided in the fourth section

SECT. 6. It shall be the duty of the street commissioners within sixty days after grading of any of the said streets shall have been completed, to cause the necessary gutters to be laid across the intersecting streets and alleys, and the crossings at all streets and alleys to be paved with flat stones or otherwise under the directions of the Borough Engineer and to repair the same whereever directed so to do by the Burgess.

Emacted into an ordinance at Catasaugua July 25, 1853.
