

Splendid Pictures.

A decided preference is given to the Daguerotypes made by S. W. Buraw, No. 26, East Hamilton St. And do you know the reason? Because he is daily producing Pictures unsurpassed in lifelike and brilliancy of tone. Also, Pictures retaken, of which the country is flooded with. We know that hundreds of people are awfully imposed on, by being stuffed with a miserable caricature which hurt us to look at. So the best way is for those who wish to have good Pictures taken, call on Buraw and you will save your money to have them retaken.

N. B. Pictures taken by a large sky light in rain or shine, and as cheap as good work can be done.

Wholesale Commission Merchants. WENNER, BREINIG & Co. No. 216 Washington St. New York.

The Undersigned hereby respectfully inform their friends and merchants generally, that they have established themselves as "Wholesale Commission Merchants and Produce Dealers," at No. 216, Washington Street, in the city of New York.

They have facilities to render every inducement to Pennsylvania, as well as other State merchants to trade in this market, with their various articles of merchandise, where, in they can at all times realize a price, superior to any other in the United States.

It is an acknowledged fact, that the great trade heretofore vending its way to other markets, is now rapidly finding avenues through the various additional Rail Roads, to the Great Emporium of New York City, and why is this? Because merchants find upon trial a profitable result.

They begin to open their eyes, and see how long they have suffered by other markets, whereas had they had a market like the one open to them, the result by this time, would have contributed materially to their welfare in business.

Merchants consulting their own interest plainly see, that all inland Ports, are inadequate to consume the amount of produce and other materials sent to them, and the result follows, that a great amount of the same find its way to the great centre of attraction New York, to which place, other city speculators go to make their profits, and in this they generally succeed for the consumption and exportation there, is so much greater and prices consequently more remunerating.

There are upwards of thirty Steamships now running, and others in progress, and will soon be added to the various lines, making regular trips to and from this port to the various ports of our Southern States, Cuba, South America, California, Australia, England, Ireland, France and some of the German States, and hundreds of ships are constantly sailing to and coming from all ports of the World.

All then come here to procure a share of our country's production, and New York city being the greatest commercial city in America, and the most convenient port of access by ships and steamships, it is therefore constantly flooded by them, carrying a way an enormous amount of merchandise.

The Undersigned, therefore solicit consignments of all merchants, that may feel disposed to give the market a trial and they hope by prompt attention thereto, and persevering efforts to procure the highest market prices, to gain a liberal share of patronage.

N. B.—Any further information can be had, by addressing the above firm.
