Splendid Pictures. A decided preference is given to the Da-guerreotypes made by S. W. Burcaw, No. 26, East Hamilton St. And do you know the reason? Because he is daily producing Pic-tures unsurpassed in lifelike and brilliancy of tone. Also, Pictures retaken, of which the country is flooded with. We know that hundreds of people are awfully imposed on by being stuffed with a miserable (caricature) which hurt us to look at. So the best way

is for those who wish to have good Pictures taken, call on Burcaw and you will save your money to have them retaken. N. B. Pictures taken by a large sky light in rain or shine, and as cheap as good work can be done. Allentown, Nov. 2. ¶---3m

· Wholesale **Commission Merchants.**

WENNER, BREINIG & Co. No. 246 Washington St. New York.

The Undersigned hereby respectfully inform their friends and merchants generally, that they have established themselves as "Wholesale Commission Merchants and Produce Dealers," at No. 246, Washington Street, in the city of New York.

They have facilities to render every inducement to Pennsylvania, as well as other State merchants to traile in this market, with their various articles of merchandise, wherein they can at all times realize a price, superior to any other in the United States.

It is an acknowledged fact, that the great trade heretofore wending its way to other markets, is now rapidly finding avenues through the various additional Rail Roads, to the Great Emporium of New York City, and why is this? Because merchants find upon trial a profitable result.

They begin to open their eyes, and sco how long they have suffered by other markets, whereas had they had a market like the one open to them, the result by this time, would have contributed materially to their welfare in business.

Merchants consulting their own interest plainly see, that all inland Ports, are inadequate to consume the amount of produce and other materials sent to them, and the result follows, that a great amount of the same find its way to the great centre of attraction New York, to which place, other city speculators go to make their profits, and in this they generally succeed for the consumption and exportation there, is so much greater and prices consequently more

remunerating. There are upwards of thirty Steamships now running, and others in progress, and will soon be added to the various lines, making regular trips to and from this port to the various ports of our Southern States, Cuba, South America, California, Australia,

All then come here to procure a share of our countrys production, and New York city being the groatest commercial city in America, and the most convenient port of access by ships and steamships, it is therefore constantly flooded by them, carrying a way

an enormous a.nount of merchandiso. The Undersigned, therefore solicit conignments of all merchants, that may feel disposed to give the market a trial and they hope by prompt attention thereto, and persevering efforts to procure the highest market prices, to gain a liberal share of patronage. N. B.-Any further information can be

had, by addressing the above firm. WENNER, BREINIG & Co. Geo. Wenner, P. B. Breinig, jr., F. H. Weidner
