WIEDER & BOYER.

No. 25, West Hamilton street, Allentown.

Thankful for past lavors and hoping by strict attention to business and a desire to please, to merit a continuance of the patronage so liberally bestowed on them, and wishing

the people to understand the fact, that they are both PRACTICAL HATTERS-both having served a long apprenticeship at the business and understanding the business thoroughly in all its various branches-they are confident they can MANUFACTURE HATS of all kinds inferior to none in the market, and also a little cheaper, because they perform a great deal of the labor themselves and buy their material from the importers for cash, and understanding the business they employ none but good workmen, and doing a large business they can afford to sell at small profits.

These are some of the reasons why you often hear the remark that "Wieder & Boyer sell such beautiful Hats at such astonishingly low prices. They always have the latest Philadelphia and New York styles on hand, so you need not be afraid of hav-ing an-old fashioned Hat stuck on you.-Give us a call. It don't matter what is the shape of your head, we will insure a fit.

Country Merchants would do well to give us a call, as we will wholesale them hats and caps cheaper than they can get them in the city. Also a large assortment of all kinds of straw goods which they will sell cheap. TERMS CASH. ¶-tf
