

**VILLIAM PENN'S ORED FROM THE INDIANS IN**  
This *Indians' witness*, that—We,  
Packenah, Jarekhan, Sikals, Part Quessot,  
Jervis Essenenah, Folkroy, Hekollappaw,  
Eoonus, Machloha Mettleong, Wissa Powoy,  
Indian Kings, Sachemaks, right owners of all  
lands, from Quingus, called Duck Creek, unto  
Upland, called Chester Creek, and along the  
west side of Delaware River, and so between  
the said creeks backwards as far as a man can  
ride in two days with a horse, for and in con-  
sideration of these following goods to us in  
land paid, and secured to be paid, by William  
Penn, Proprietary and Governor of the Province  
of Pennsylvania and territories thereof, viz: 20  
pairs, 20 fathoms matchcoat, 20 fathoms stroud  
water, 100 bars of lead, 40 tomahawks, 100  
knives, 40 pairs of stockings, 1 barrel of beer,  
10 pounds of red lead, 100 fathoms of wampum,  
10 glass bottles, 50 pewter spoons, 105awl  
blades, 30 tobacco pipes, 100 blades of tobacco,  
20 tobacco tongs, 20 steels, 300 flints, 30  
pairs of scissors, 30 combs, 60 looking glasses,  
100 needles, 1 skipple of salt, 30 pounds of  
sugar, 5 gallons of molasses, 20 tobacco boxes,  
100 jewsharps, 20 hoes, 30 gimblets, 30 wooden  
screw boxes, 100 strings of beads—Do hereby  
acknowledge, &c. Given under our hands,  
&c., at New Castle, 21 day of the eighth  
month, 1685.

The above is a true copy taken from the  
original, by Ephraim Morton, formerly a clerk  
in the land office.

**GOOD.**—A correspondent of the Penny Post,  
in Richmond, Va., writing from Pan Handle  
District, gives an account of a discussion in those  
parts on the American party. An official had  
made a very flaming speech against the Ameri-  
can party, but was replied to in such an effec-  
tual manner by one of "Sam's" boys that he  
brought himself to call upon an English gentle-  
man present to help him out of his difficul-  
ties. We give the balance in the words of the  
correspondent:

"The old man thundered in their ears the  
dangers of Romanism and the corruptions of  
popery and rejoiced that the American party  
was about to stay their progress in this coun-  
try, at least. He closed with the sentiment—  
'Foreigners and Catholics may ride in the Chair  
of Freedom, but Americans must drive!'"

**FROSTED PLANTS.**—When plants, through ac-  
cident or neglect, get frozen, they should be  
well syringed or sprinkled over head, through a  
fine rose watering-pot, with cold water. Great  
care must be observed in shading them from the  
sun till the frost is thoroughly drawn out,  
which should be done as gradually as possible.  
Standing them on the floor of the house is the  
best plan that can be adopted. Care must be  
taken that they do not again freeze after syring-  
ing. It seems not to be generally under-  
stood that frost merely suspends, but does not  
entirely destroy vegetation, and unless plants  
are very tender, with careful treatment they  
may generally, be saved.

**HONORABLE.**—There has been a trial and con-  
viction in the Erie county Court this week,  
which, for the sake of humanity, we hope may  
never occur again. It was the case of Earl P.  
Blackmore, of Conneaut township, for rape upon  
two of his own daughters—girls not over 15  
or 16.—The details are too horrible for pub-  
lication. Upon the first count, though the evi-  
dence was proved to the satisfaction of every  
body, save the jury, he was acquitted; but  
upon the second count, he did not come off so  
lucky, and will doubtless be sentenced to the  
full extent of the law—ten years in the Peniten-  
tiary.

**MORE NEW COUNTERFEITS.**—We extract from  
*Dickens's Reporter*, the following list of new  
counterfeits:

Bank of Chester County, West Chester, Pa.—  
20's, altered from 5's. Vignette, milk maid,  
farm house, cattle, &c. On either end a medal-  
ion head.

Bank of Commerce, Baltimore.—5's spurious.  
Vignette, female and child—over the latter the  
words Agriculture and Commerce. Female on  
right and sailor on left end. Impression dark.  
These notes have been altered to "Bank of  
Commerce, Philadelphia," "Bank of Com-  
merce, New York," and probably all institu-  
tions of this title in the U. S.

**COFFEE.**—There is in Berlin, Prussia, a large  
establishment for the manufacture of coffee  
from acorns and chickory, the articles being  
made separately from each other; the chickory  
is mixed with an equal weight of turnips, to  
render it sweeter. The acorn coffee, which is  
made from roasted and ground acorns, is sold  
in large quantities, and frequently with rather  
a medicinal than an economical view, as it is  
thought to have a wholesome effect upon the  
blood, particularly of scrofulous persons.

**CURE FOR BURNS.**—The American Agricultur-  
ist says, "of all applications for a burn, we  
believe there are none equal to a simple cover-  
ing of common wheat flour. This is always at  
hand, and while it requires no skill in using, it  
produces almost astonishing effects. The mois-  
ture produced upon the surface of a slight or  
dead burn, is at once absorbed by the flour  
and forms a paste which shuts out the air."

**SHOCKING OCCURRENCE.**—Mr. Samuel Shinn,  
a Druggist, was drowned while skating on the  
Schuylkill, Phila., on Saturday, pushing a young  
lady named Eliza Russell, to whom he was en-  
gaged to be married, upon a chair on runners,  
in advance of him. Upon entering upon a weak  
spot in the ice where it had been cut away pre-  
viously for storing, both sank never to rise  
again alive.

**SETTING HENS.**—In setting hens, thirteen  
eggs are enough to give them; a large hen  
might cover more, but a few stronger, well  
latched chicks are better than a large brood  
of weaklings, that have been delayed in the shell  
perhaps twelve hours over the time, from insuf-  
ficient warmth. At the end of a week, it is  
usual, with setting turkeys, to add two or three  
fowl's eggs, "to teach the young turkeys to  
pick." The plan is not a bad one; the activity  
of the chickens does stir up some emulation  
in their larger brethren. The eggs take but  
little room in the nest, and will produce two or  
three very fine fowls.

**ENGLISH MARRIAGE STATISTICS.**—In England,  
it seems that the twenty sixth year is the mean  
age at which men marry, and the twenty fifth  
that at which women marry. The average age  
of the wife is about 40 1/2 years, of the husband 43  
years; or the husband in Great Britain, on the  
average, is 2 1/2 years older than the wife.

gelbach, Mr. DAVID BOUTZ, to Miss POLLY

**STARTLING, BUT TRUE!**  
**WHAT EVERY WOMAN SHOULD KNOW.**  
How often it happens, that the wife lingers from  
year to year in that pitiable condition as not even  
for one day to feel the happy and exhilarating in-

**THE BLOOMING BRIDE.**  
But a few years ago in the flush of health and youth,  
and buoyancy of spirits, rapidly and apparently in-  
conspicuously, becomes a feeble, sickly, sorrow, debili-  
tated wife, with frame emaciated, nerves unstrung,  
spirits depressed, countenance bearing the impress  
of suffering, and an utter physical and mental pro-  
stration, arising from ignorance of the simplest and  
plainest rules of health, as connected with the mar-  
riage state, the violation of which entails disease,  
suffering and misery, not only to the wife, but the  
whole household.

**THE MARRIED WOMAN'S  
PRIVATE MEDICAL COMPANION,**  
BY DR. A. M. MAURICEAU,  
PROFESSOR OF MEDICINE OF WOMEN.  
One Hundredth Edition, (500,000), 13mo., pp. 250.  
[For Sale EVERYWHERE, EXTRA BUSINESS, \$1.00.]  
A standard work of established reputation, found closed  
in the catalogues of the great trade sales in New York,  
Philadelphia, and other cities, and sold by the principal  
booksellers in the United States. It was first published  
in 1847, since which time

**FIVE HUNDRED THOUSAND COPIES**  
have been sold, of which there were upwards of  
**ONE HUNDRED THOUSAND SENT BY MAIL**,  
attesting the high estimation in which it is held as a re-  
liable popular Medical work.

**BOOK FOR EVERY FEMALE**  
The author having devoted his exclusive attention to  
the treatment of complaints peculiar to females, in respect  
to which he is yearly consulted by thousands both in person  
and by letter.

Here every woman can discover, by comparing her own  
symptoms with those described, the nature, character,  
causes, and the proper remedies for, her complaints.  
The wife about becoming a mother has often need of  
instruction and advice of the utmost importance to her  
future health, in respect to which her sensitiveness for-  
bids consulting a medical gentleman, will find such in-  
struction and advice, and also explain many symptoms  
which otherwise would occasion anxiety or alarm as all  
the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregular-  
ities peculiar to the female system, which undermine the  
health, the effects of which they are ignorant, and for  
which their delicacy forbids seeking medical advice.  
Many suffering from *prodigious uteri* (falling of the womb),  
or from *stria alba* (weakness, debility, &c.) Many are  
in constant agony for many months preceding confine-  
ment. Many have difficult if not dangerous deliveries,  
and slow and uncertain recoveries. Some whose lives are  
harmed during such time, will each find in its pages the  
means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various  
subjects treated of, as they are of a nature strictly in-  
tended for the married or those contemplating marriage.  
Reader, are you a husband or father of a wife or a  
mother? Have you the sincere welfare of those you love  
at heart? Then your size and time in  
learning what causes interfere with their health and hap-  
piness is not less than your own. It will avoid to you and  
years, as it has to thousands, many a day of pain and  
anxiety, followed by sleepless nights, incapacitating the  
mind for its ordinary avocations, and exhausting those  
means for medical attendance, medicine and advertised  
nostrums which otherwise would provide for declining  
years, the infirmities of age and the proper education of  
your children.

In consequence of the universal popularity of the work,  
as evidenced by its extraordinary sale, various im-  
positions have been attempted, as well on bookellers as on  
the public, by means of cheap, spurious editions,  
and surreptitious imitations of copyright and other  
violations, to be avoided, to
