## Special Notice.

Having disposed of the "Lehigh Register" printing establishment, and engaged in business that will require all the means at my command, I earnestly request all persons indebted in my books for subscription, advertising, jobbing work, or otherwise, to make payment at an early day, as the books of the establishment ought to be settled up without delay. There are a number of old accounts especially, which have been standing for years, some as much our own fault perhaps as the debtors, where liquidation would now be of material service. I am found as heretofore at the "Old Stand" next door to the German Reformed Church.
