BY DR. A. M. MAURICEAU,

PROFESSOR OF DISEASES OF WOMEN. One Hundredth Edition, (500,000), 18mo., pp. 250. (ON FINE PATER, EXTRA ENDING, \$1.00.)

A standard work of established reputation, found classes, in the catalogues of the great trade sales in Now York, Philadelphia, and other cities, and sold by the principal bucksellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES ONE HUNDRED THOUSAND SENT BY MAIL. attesting the high estimation in which it is held as a re-

BOOK FOR EVERY FEMALE

the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter. Hero every weman can discover, by comparing her own symptoms with those described, the nature, character,

causes of, and the proper remedies for, her complaints. The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and to which their delicacy forbids seeking medical advices. Many suffering from prolapsus uteri (falling of the womb). or from fluor allus (weakness, debility, &c.) Many in constant agony for many months preceding configment Many have difficult if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives and haearded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage. Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of these you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance, medicines and advertised postrums which otherwise would provide for declining years, the infirmities of age and the proper education of

your children. In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious oditions, and surreptitious infringements of copyright, and other devices and deceptions, it has been found nocessary, therefore, the
