

PRICES OF PRODUCE IN NEW YORK.—The decline in flour during the past week has been an average of about 25 cents per barrel in all grades. Common to good State sold for \$8.50 to \$8.62 per barrel, which is the lowest point. A gradual fall each week may now be expected as the new crop will soon be coming in. Rye flour has also slightly declined. No change in corn meal. Wheat is of course lower. White Canadian sold at \$2.25. The harvesting of new wheat was commenced in some parts of Illinois on the 16th of June. It is said that farmers have offered to contract in several cases at \$1.50 per bushel. Rye has been sold at \$1.60 to \$1.68 per bushel. Oats have improved, having sold at 58 to 63 cents per bushel. Prime new pork sold at \$16 per barrel: prime mess, western, at \$16 to \$16.50 per barrel. The average prices for beef cattle were 91 cents per pound, a falling off of half a cent. In veal and sheep and lambs no change, neither is there in swine. Green apples (lyclop cholera morbus pills) have made their appearance: it is enough to give one the cholera to look at them. The strawberry season is now at the full. The farmers of Passaic and Bergen counties, New Jersey, send nearly five thousand baskets a day, during the season, which lasts twenty days. Counting the price of the basket at five cents a piece, it would make \$50,000—a nice item for strawberries alone. The farmers in New Jersey give one cent a basket for picking strawberries, and board gratis, and at this nimble hands can make from one dollar to one dollar and a half a day. Cherries are now coming in rapidly. Butter brings 20 to 23 cents per pound, and eggs sell seven for 12 cents.

PENNSYLVANIA.—The tone of all the Whig and American papers in the interior of the State that have yet come to hand, is adverse to the position on slavery assumed by the late Know Nothing National Council. It is also evident that the Whig party will not unite with the American organization on a common State ticket. The Delaware County Republican, Lancaster Examiner and Herald, West Chester Village Record, Norristown Herald, Chambersburg Repository, York Republican and Pittsburg Gazette all oppose the Know Nothings, and favor a Whig opposition thereto. The Chambersburg Repository calls for the Whig Committee of Franklin county to meet and have a Whig ticket nominated against the Know Nothings. It is not yet certain, however, that the American party will take such a course as will render a separation from the Whigs necessary. The Philadelphia North American says, the State Council will meet on the 2d of July, and there all appearances go to show that the platform adopted at Philadelphia will be rejected. The Pittsburg Commercial Journal says that every Council of the Order in Allegheny county which has met since the platform was promulgated, has repudiated it, and appealed to the State Council.

COFFEE RAISED ON LONG ISLAND.—A Long Island friend, JONATHAN G. KOLBES, Esq., writes us that he has succeeded in getting up a couple of rows—ten yards long—of the best old Java Coffee this Spring. He sowed the dry berry in drills, having first soaked them in ashes and water for an hour. When the plants were an inch above the surface he stuck a row of oak screws for them to climb on. Favored by alternate heat and rains they have come on finely, and the berries are nearly ready to be gathered.

A CROW SAVED.—A man in Pawlet, Vt., after having his corn destroyed and his wheat field attacked by the sable depredators, and having tried every kind of scarecrow to no purpose, procured strychnine, in which he soaked some corn, and strewed it over his field. As a result of the first day's effects of his preventive, he found the dead carcasses of 200 crows in and about the field.

DYSPEPSIA.—Bran, simply dry bran, taken at the rate of a couple of spoonfuls a day, is said to be a sovereign remedy for dyspepsia, in case where the disease is not owing to any organic derangement. It is easily tried, and perfectly harmless, to say the least. Try it—especially if you have been living too much on fine white flour.

BREEDING FISH.—The National Historic Society of New Jersey has appointed a committee to consider the feasibility of stocking the rivers with salmon. There seems to be no doubt that it can be done. The only question is if it can be made profitable.

MARRIED.—By Alderman G. Brazier, in Philadelphia, on Thursday, 28th ult., Mr. SAMUEL KING, of Bucks county, Pa., to Miss MARY SOPHIA SHAFER, of Lehigh county, Pa. On Sunday last, by the Rev. Mr. Herman, Mr. SAMUEL H. HAAS, to Miss ANGELINA M. KNAUSS, both of Fogelsville.

DIED.—In West Philadelphia, on Monday last, of brain fever, MARY ELLA, infant daughter of Wesley J., and Sarah Boyer, aged 1 year. The birding of my heart is gone, Flown to that better land; With angels now she numbers one, Of that bright and happy band.

NOTICE.

To the Tax Collectors and Tax Payers of Lehigh County, for the year 1855.

WHEREAS a number of the citizens of Lehigh County have expressed a desire to pay their taxes during the month of July in order to secure the five per cent discount, provided for by several acts of assembly of this Commonwealth, and in order to maintain the honor and credit of the county, the Commissioners have

Resolved, That the respective Collectors of the County, and Militia Taxes, levied and assessed on the property and things in the different townships and boroughs in the county of Lehigh, be and they are respectively, authorized and directed to make an abatement of five per cent, on the amount of State tax to each and every person who before the 27th day of July next, pays the whole amount of County and Militia Taxes, to them respectively charged for the year A. D. 1855.

The collectors of the several Wards and townships are requested to pay over to August Thomsen, Esq., Treasurer, at his office in Allentown, all monies so collected, as State, County or Militia Taxes, as follows:

Those of Lynn, Heidelberg, Lower Macungy, Upper Macungy, Catasauqua and Lehigh Ward (Allentown.) on the 25th of July.

North Whitehall, South Whitehall, Lower Milford, Upper Milford, Washington and Lower Hill, on the 26th of July.

North and South Wards (Allentown), Hanover, Upper Saucon, Weisenburg, and Salsburg, on the 27th of July.

Collectors will take notice that no paper money of less denomination than five dollars and only such as is par in Philadelphia (except Relief notes) will be received for taxes.

For the benefit of the collectors, we will say to them to be on their guard in taking notes of the following Banks, as there are many Counterfeits on them of various denominations, to wit: The Harrisburg Bank old issue; Middle-town Bank and Relief; Northumberland Bank; Shuylkill Bank; Doylestown Bank; Lancaster Bank; 10's and 20's and Relief. The Farmers and Drivers Bank of Waynesburg, Honesdale Bank, Erie Bank are not par.

The collectors and tax-payers will also bear in mind that the final settlement of taxes must be made speedily, that the forbearance heretofore extended can in no wise be allowed hereafter. The collector need not be put off with a promise to pay him next spring or winter—it will avail nothing.

The Commissioners by the act of assembly are limited for a final settlement of the Militia taxes on the first Monday of December next, consequently on or before said time a final settlement by the collectors must be made; if no final settlement is made up to the specified time, no exoneration will be allowed and the tax must be paid in full, according to the duplicates.

It is expected the collectors will strictly adhere to the above in the discharge of their duties.

He does not approve of hiring out broken-down, balky, runaway, ring-boned, spavined or diseased horses, but of keeping the right kind of stock, such as can travel well and do credit to his stable. His carriages and vehicles of every description will always be kept clean and in good order.

He trusts that by strict attention to business and keeping the best of stock, he will be favored with a liberal share of patronage.
