

GRAND LODGE OF ODD FELLOWS.—The Grand Lodge of the United States, composed of Delegates from all the States of the American Union and some of the Provinces of Canada, assembled on Monday in annual session at the city of Baltimore. There are several questions important to the Fraternity to be determined during the session. The official reports show the Order to be in a sound and healthy condition, but they do not, as in former years, indicate a numerical increase of membership. The suspensions from the Order, it appears, have exceeded the initiations. The decrease, however, is not regarded with any solicitude. The retiring Grand Sire, (Wilmot G. DeSaussure, Esq., of South Carolina,) in alluding to it in his valedictory address, says:

"In some fields our labors have not been blessed as in others; yet a careful examination will lead us to regard the decrease with no anxiety. By the time the harvest has been reaped from our wheat, and the store thus left increased in worth. In other places the seed has produced a hundred fold, and humanity is rejoiced by the extension of peace and goodwill among men. And yet, again, now fields have been opened for our exertions; and in the energetic numbers building up an Empire in the Lower Provinces, in the swelling multitudes pressing onwards to the smiling valleys of Western Canada, in the busy throngs congregating the Pacific shores, great reason is furnished us for joy. Charities hitherto enlisted with men, and a whole Continent acknowledges her aid."

The official reports of last year show that the organization consisted of more than two hundred thousand members, and that the year's revenue was nearly one and a half millions of dollars.

WORTH KNOWING.—One pound of green coppers (cost seven cents) dissolved in one quart of water and poured down a privy, will effectually concentrate and destroy the foulest smells. For water-closets on board of ships and steamboats, about hotels and other places, there is nothing so nice to cleanse and purify those places, as simple green coppers, dissolved; and for sick rooms, it may be placed under the bed in any thing which will hold water, and thus render a hospital or other places for the sick, free from unpleasant smells. For butchers' stalls, fish markets, slaughter houses, sinks, and wherever there are putrid and offensive gasses, dissolve coppers and sprinkle it about, and in a few days the "bad smell" will pass away. If a cat, rat or mouse dies about the house and sends forth an offensive gas, place some dissolved coppers in a cup or jar, anywhere within "smelling distance," and the cure is sure. I have known a stock of dry goods which were nearly spoiled by a "skunk" under a store, to be cleaned and restored simply by sprinkling dissolved coppers about the floor.—*Salem Gazette.*

YANKEE SCIENTIFICS.—Mr. Eliphaz Stubbs, a real live Yankee from Connecticut, in exhibiting his "Patent Back Action Spanker," thus scientifically describes it:

(On being attached to a baby of any age, it the Spanker) watches over it like a mother, makes it hush when it becomes naughty, obliges it to desist from swallowing thimbles, chalk, marbles, and three cent pieces, pins, or any other food unsuited to the stomach; compels it to go to sleep when it doesn't want to; and if somewhat older, it sees that it keeps its hands off the sugar bowl and jam pots; besides making it keep its face clean—and all by the power of its Back Action."

"A TROOP COMETH."—GEN. xxx., 11.—Mrs. Compton, of Blair County, Pa., the mother of four living children, all well, seven months old, passed through this city yesterday, for Boston. There is to be a baby show in that city, next week, and we think Mrs. C. will contend pretty successfully for the first prize, few competitors being able to present four children at one birth, weighing five pounds each.—*Lancaster Whig.*

"A head that listens to folly in youth, will hardly be honorable in old age."

MARRIED.

DR. L. B. WRIGHT'S
VEGETABLE
LIQUID CATHARTIC,
or
Pleasant Family Physic.
AN entirely vegetable preparation, pleasant to the taste, unexcelled in its action upon the Liver, Stomach and general system. As an Anti-bilious and Alterative Physic, this Medicine
Has no Equal in the World.
I have used it constantly in my practice for upwards of ten years in all cases where a good Physic and Alterative was required, and would not now do without it. It is the

PHYSICIAN'S ASSISTANT,
as well as the safest family medicine in use.—*Children drink it with pleasure. It will not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the system if it is properly taken. Already*
Thousands of Living Witnesses are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days. It is a

NEVER-FAILING CURE
for Head-ache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Lumbago, Worms, Diolches on the Skin, Pimples, Cutaneous Eruptions, Obstructions in the System, Constipation of the Bowels, Dizziness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its superior medical virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and leaves the system healthy. I ask my friends to test the above Medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.
Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine hopes of its friends. Neighbors recommend it as a safe and **UNEQUALLED PHYSIC!** Physicians carry it with them. **CHILDREN** will

Take no Other
after one trial, and parents should use no other in their families. People living in low and marshy countries, subject to deadly miasmas, where Fevers, Ague and Fever, and bilious complaints are more apt to be, will find the "Liquid Cathartic" the most potent remedy yet tried. Give it a trial.
