STARTLING, BUT TRUE!

WHAT EVERY WOMAN SHOULD KNOW. How often it happens, that the wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

THE BLOOMING BRIDE. But a few years ago in the flush of health and youth, and buoyancy of spirits, rapidly, and apparently so, she becomes a feeble, sickly, languid, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and an utter physical and mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often

"And must this continue? Must this be? Is there any remedy? No relief? No hope of bettering and eradicating the disease by knowing the remedies, and benefiting by them. That are pointed out in

THE MARRIED WOMAN'S PRIVATE MEDICAL COMPANION, BY DR. A. M. MAURICEAU, M.D. One Hundred and Fifty (150) Pages, pp. 220. (FOR FIVE PAGES, EXTRA ISSUES, \$1.00.) A standard work of established reputation, found cited in the catalogues of the great trade sales in New York, Philadelphia, and other cities, and sold by the principal bookellers in the United States. It was first published in 1847, since which time

FIVE HUNDRED THOUSAND COPIES have been sold, of which three hundred and ONE HUNDRED THOUSAND SENT BY MAIL, attesting the high estimation in which it is held as a reliable popular Medical BOOK FOR EVERY FEMALE.

The author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter. Have every woman can discover, by comparing her own symptoms with those described, the nature, character, causes, and the proper remedies for her complaints. The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to which her sensitiveness is peculiarly liable to a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as to the possibility incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and which their delicate forbids seeking medical advice, or from suffering from prostrated vitality, (falling of the womb,) or from fluid alba (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficulty if not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will find full in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly confidential for the married or those contemplating marriage. Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what caused interfere with their health and happiness not less than your own. It will avoid to you and yours, as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, impeding the mind for its ordinary avocations, and exhausting those means for medical assistance, and attending to the means of prevention, amelioration and relief.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various imitations have been attempted, and in order to protect the public, by institutions of title page, various editions, and scrupulous infringements of copyright, and other legal proceedings, it has been found necessary, therefore, to
