DR. J. B. WRIGHT'S VEGETABLE LIQUID CATHARTIC

An entirely vegetable preparation, pleasant to the Stomach and general system. As an Anti-bilious and Alterative Physic, this Medicine HAS NO EQUAL IN THE WORLD. I have used it constantly in my practice for upwards of ten years in all cases where a good Physic and Alterative was required, and would not now do without it. It is a

PHYSICIANS ASSISTANT, as well as the safest family medicine in use. Child-robustness with pleasure. It will not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all impurities from the system if it is properly taken.—Already

THOUSANDS OF LIVING WITNESSES are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas in a few days.— It is a

NEVER FAILING CURE

For Head-ache, Liver Complaint, Jaundice, Kidney Complaint, Bilious Fever, Pains in the Side, Back, Breast, and Limbs, Colic, Cramps, Lumbago, Worms, Diarrhoea on the Stomach, Pimples, Cutaneous Eruptions, Obstructions in the System, Constipation of the Bowels, Disinfects, Mercurial Discharges, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its superior medical virtues, the ulcers humor from the blood and corrupts the system, entering it off through the natural channels; it invigorates the blood and leaves the system healthy. I ask my friends to try this medicine, and pronounce a verdict as they shall be impressed by its evidence. Those who know me personally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine hopes of its friends. Neighbors recommend it as a safe and UNQUALIFIED PHYSIC. Physicians carry it with them.

CHILDREN will TAKE NO OTHER

after one trial, and parents should use no other in their families. People living in low and marshy countries, subject to febrile miasmas, where Fevers, Ague and Fever, and Ulcers complaints are more apt to be, will find the "Liquid Cathartic" the most potent remedy yet tried. Give it a trial.

AYER'S PILLS.

FOR ALL THE PURPOSES OF A FAMILY PHYSIC.

There has long existed a public demand for an effective purgative pill which could be relied on as safe and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown that it is a success in accomplishing the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for what success it accomplishes, and the strength of its action is so moderate, and its operation so gentle, that it is not only safe, but it is pleasant to take, and it is not only safe, but it is pleasant to take, and it is not only safe, but it is pleasant to take.

These pills produce no irritation or pain, unless it arise from a previously existing obstruction of the bowels, and in such cases, the strength of the vegetable matter can arise from their use, and they are taken judiciously. Minute directions for their use are enclosed in the wrapper, and are applicable to all cases. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, Biliousness, Stomachic, Indigestion, Headache, Loss of Appetite, Constipation, Dropsy, Gravel, Erysipelas, Pimples on the Face, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood, and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appetite, and prepares the system for the change of seasons.
