☞HORRIBLE TRAGEDY.—A most horrible rending occurrence took place yesterday (Sunday) on the Oneida Lake Shore Road, six miles east of the village of Bridgeport, in Madison county. A woman by the name of Ward, the wife of Mathew Ward, who is represented to us as being a drunken, worthless fellow, murdered four of her children in cold blood!

It appears that the husband neglected his family, and treated them in the most cruel manner. The wife and mother had threatened that if he did not reform his ways and help her to take proper care of the children, she would murder them and take her own life. He heeded not the threat, but persisted in his brutality.

Yesterday morning he left home to go fishing on the Lake, and during his absence she executed her threat, taking an axe and with it cutting the throats of four of the five children, the youngest of whom was only two months old. The oldest of the children, aged about eight years, escaped only by running away, she vainly pursuing him, with axe in hand, for some distance.

She then returned to the house where she had perpetrated the shocking acts, and seizing her husband's razor, attempted to commit suicide by cutting her throat. She did not cut deep enough, however, to render the wound fatal, and when discovered was literally covered with blood, and suffering the most intense agony.—*Syracuse Journal.*

☞*Holloway's Pills*, an undoubted Remedy for Asthma. Mr. Elias Wilson, of Brooklyn, New York, had for five years very severe attacks of asthma, which deprived him of bodily rest, night and day; the cough at times almost choked him, and caused him continually to spit blood, he was never safe either eating or drinking, and his family were distressed beyond measure to see him gradually reduced to almost a skeleton. Holloway's Pills, in this case, were as usual, efficacious. This gentleman used them for eleven weeks, and they effected a perfect cure; he feels himself stronger now than he has been for the last fifteen years.

☞"TRUTH STRANGER THAN FICTION."—Such would seem to be the case with the remedy now before the public, known as Carter's Spanish Mixture. Its powers in many instances seems to be really miraculous, and especially in the radical and permanent cure of some of the most terrible forms of disease with which mankind are afflicted. Scrofula, which seems entirely to baffle the skill of Physicians, has been cured in many instances by only a FEW BOTTLES of this invaluable compound. Syphilis, another of the most awful scourges, has been cured by Carter's Spanish Mixture in over 500 cases. It acts specifically on the Liver and secretions, and is the best alterative or blood purifier yet discovered. It has gained reputation wherever known, which cannot be approached by any former effort of science, and it is prescribed by physicians and testified to by many of the most eminent public men of the country, many of whom say they consider it a matter of duty to make its merits generally known, and cordially recommend it to the afflicted.

MODERN INVENTIONS.

We know of no invention of modern times that deserves or is destined to occupy a higher niche in the temple of fame, than the discovery or invention of the Vegetable Epileptic Pills for curing Epilepsy, or Falling Fits; Spasms, Cramps, and all the various modifications of Nervous Disease. *Dr. Seth S. Hance*, of 108 Baltimore street, Baltimore, Md., the inventor, is certainly entitled to the best wishes of all the benevolent portion of mankind, who experience a pleasure, by the alleviation of human suffering. When Dr. Hance first prepared these Pills, he intended them solely for Fits, Cramps and Spasms; but subsequent experience satisfactorily proved to him, that in addition to their remarkable sanative properties in this class of diseases, they exert a perfect control over the entire nervous system. He was then induced to try them in cases of Neuralgia, Tic-Doloreux, Nervous Headache, Palpitation of the Heart, Incipient Paralysis, Hysteria, Muscular Debility, and a host of minor diseases, springing from a lack of nervous energy, in all of which his anticipations were crowned with the most sanguine success. Persons at a distance, by writing and sending a remittance to Dr. Hance, can have the medicine forwarded by mail to their post office address, he paying the postage. The prices are for a single box, $3, two boxes, $5, or $24 per dozen. We have given his address above.

WHISKERS, BEARD AND MUSTACHIOS.—Forced to grow in six weeks by DR. LAFONT'S CAPILARY COMPOUND. Warranted not to stain or injure the skin. Price $1 per Package, or 3 for $2 50.

Sent to any part of the country, by mail, on receipt of a remittance. Address SWEETSER & CO., Box 739 Post Office, Baltimore, Md.

A Great Change.

A GREAT change took place in our town yesterday morning. Mrs. Fashionable left her home in her usual common dress and bonnet, and about noon returned from Joseph Stopp's Cheap Cash Store, with a fine silk dress, shawl, bonnet, parasol, handkerchief, gloves, stockings, &c., and when she came near to her residence, Mr. Fashionable and his servants rushed out to meet the visitor, believing that it was a lady from New York, but when she came in and laid off her bonnet and shawl, and informed her husband and servants of their mistake, and told them where and how cheap she got the goods of Stopp for cash, Mr. Fashionable almost fainted and cried out, "I hope that Stopp will never leave Allentown, but always continue to sell goods so cheap." Mr. Fashionable said his expectations were without delay to Joseph Stopp's Cheap Cash Store and buy as Mrs. Fashionable had done, for if they come one and all they will surely find Stopp's CHEAP CASH STORE

Great Robbery
IN ALLENTOWN.

LAST week one night one of our citizens was robbed of about $800, but it is lucky that all the rest of mankind did not share the same fate, as

J. STOPP

yesterday morning opened his new CHEAP CASH STORE, at his new building, No. 35 West Hamilton street, Allentown, and would advise one and all not to let their money lay idle and in danger of being stolen, but go at once to

JOS. STOPP'S CHEAP CASH STORE,

as he has opened one of the finest assortments of SILKS of all colors and prices, and Ladies' Dress Goods, the finest, that ever has been seen in the place, and about 500 Shawls of all colors and prices, Calicoes by the Cart load, cheaper than ever, Parasols, Embroideries and Hosiery, a very large assortment of Ladies' Collars at 5 cents and upwards, Ladies' Stockings at 6¼ cents and upwards, Ladies' Gloves at 2 cents per pair and upwards, Linen and Union Handkerchiefs at 6¼ cents a piece. FARMERS LOOK THIS WAY.

THE opposition say that in a short time the ground will be ready to sow Oats, Barley, &c. How they know this we are not able to say, but this much we will say, that whenever it gets ready, you had better give us a call for one of the best Grain Drills, and warranted at that, (no large talk about refunding money,) but if the article is not as represented, it can be returned, and all matters satisfactorily arranged. Likewise, in due time the grass will be in order for hay making, and then we are prepared to furnish you with Allen's Mower, a splendid machine for cutting grass of any kind. And in addition, when desired, we have also the combined Mower and Reaper, of Manny's Patent, which is manufactured upon a different principle from those made heretofore, and warranted to cut grass and grain as fast as one team of horses can draw it. And further, we have the Premium Corn Sheller of Lehigh county, and as there has been sold a very large number in a short time that have rendered universal satisfaction, we are confident in saying, that it has no superior here or elsewhere. We likewise have a mill for chopping feed, which has been tested thoroughly in different sections, and all who have witnessed its operations, testify to the good qualities of the mill, and recommend it to farmers as an article to save time, and likewise grain in the amount which is yearly given to millers in the shape of "toll." In short we have almost any article which farmers require for agricultural purposes, such as Ploughs of almost any pattern, Corn Cultivators, Revolving Hay Rakes, Hay Forks, Corn Ploughs, Corn Planters, Lime Spreaders, Threshing Machines and Horse Powers of different kinds, and all warranted to give satisfaction. Repairing done in all the different branches, on reasonable terms and at short notice. WARREN'S
IMPROVED FIRE AND WATER-PROOF
COMPOSITION ROOFING.

Joseph Clewell, Allentown, Agent for Lehigh Co.

YOUR attention is respectfully solicited to the above method of Roofing, now much used in Philadelphia and vicinity, and which has been extensively in use in many of the cities of the West, during more than eleven years past, during which time it has been tested under every variety of circumstances, and we confidently offer it to the public as a mode of Roofing unobjectionable in every important particular, while it combines, in a greater degree than any other roof in use, the valuable requisites of cheapness, durability, and security against both fire and water.—This is rapidly superseding the use of all other kinds of roofs, wherever it has been introduced, giving general satisfaction, and is highly recommended by all who have tested its utility. These roofs require an inclination of not more than one inch to the foot, which is of *great advantage in case of fire*, and for drying purposes. They are offered at a price considerably less than any other roof in use, while the amount of material saved, which would otherwise be used in extending up the walls and framing for a steep roof, often makes a still farther important reduction in the cost of building. Gutters may be formed of the same material as the roof, at much less expense than any other. In case of defect or injury, from any cause, there is no roof so easily repaired.

The materials being mostly non-conductors of heat, no roof is so cool in summer, or so warm in winter. Those wishing to use our roof, should give the rafters a pitch of about one inch to the foot. For further information apply to Joseph Clewell, at Allentown, our agent for Lehigh and Carbon counties, who is prepared to execute all orders at short notice.
