American Hotel, Mauch Chunk. Our young friend D. M. KRAUSE, formerly of this place, has lately taken the American Hotel, at Mauch Chunk. " Dave" is "posted house popular.

Business.

As the population of our town increases, new business places spring into existence to keen up with the pace of time, and satisfy the increased demands. Several new Stores were opened in town this Spring, and it seems they are all receiving their full share of public favor. The dry goods men make the gayest and most enticing display, and their windows are dressed exceedingly rich and splendid clothing at differ. affairs.

ent stores, of the newest styles and larest spring patterns. We are pleased to see signs indicatevery house doing business will be sustained handsomely.

Daguerreotypes.

Daguerreotype Gallery of Slemmer & Weiss, in nineteen witnesses. The general tenor of their Hamilton street. They have some very fine vidence is to the effect that hundreds of armed specimens of their skill in the art on hand, and men have crossed from Missouri into Kansas at are ever ready to show them to visitors. Per. every election and voted, and the eby imposed sons who call at this establishment to have upon the people of that territory legislators and their likenesses taken can safely rely upon get. officers who were not their choice. Mr. Jordan ting accurate pictures.

Conventions.

Three or four more Conventions are to be held soon, to place some more candidates in the field for the Presidency. The present prospects are that there will be at least four or five candidates running for the Presidency. . The Democratic Convention will meet at Cinciunati, on the second of June. The American Convention, composed of those

of the party dissatisfied with the Philadelphia of the party dissurance when York, on the 12th days. of June.

The Republican Convention, called as a "People's Convention," will meet in Philadelphia on the 17th of June.

Holloway's Pills, on the contrary, act specifically upon the primary cause of the malady in the fluids of the body, and from which they spring. In external disease the Ointment is

> effects are scarcely less wonderful. We make these assertions - bold as they may seem-on solid grounds. We have warrant for them in the admissions of the faculty-in the statements of standard medical periodicals on both sides of the Atlantic-in the published acknowledgments of thousands of grateful convalescents-and last, but not least, so far as our private convictions are concerned, in our own personal experience and observations.

To the man whose profound research and practical skill in medical science have resulted in the production of such unequalled curatives. and whose business energy and enterprise have diffused them through every inhabited region between the Equator and the Poles, the homage of the world is due. Wherever he has traveled his journeys have resembled a triumphal progress, and the most haughty of Europe's aristocracy havebeen proud to assist at his levees: He is now a resident-and we hope he will become a citizen of a land where the only titles recognized are the titles to respect and gratitude earned by public benefactors. Among that class he has long stood pre-eminent, and it is perhaps not too much to say that his European and American central manufactories, 244 Strand, London, and 80 Maiden Lanc. New York, are doing more practical good than all the medical colmon to good State flour sold on Wednesday at leges of Europe and America combined .- New

CHINA WHEAT AND VERMONT FARMING.-Wm. II. Clark of St. Albans, Vermont, bought last year a bushel of China wheat, for which he paid three dollars, and raised from the same twenty-six bushels, which he is selling readily at \$2 a bushel. This kind of wheat is said to suffer but little from the weevil. E. Mussey, of Middlebury, communicates to the Register the results of his last year's farming. He went upon a "worn-out farm" of 125 acres, and the total proceeds of his year's labor, at the actual as are sold at three cents in the summer. Eggs prices he sold for, or at the prices prevalent on the first of January, were \$1,699.68. His rough estimate of expenses was \$967, leaving. him a clean profit of \$732.68.

> PRICE OF DURHAM STOCK IN ENGLAND .-On the 3d of April, 77 Durham Cattle, 48 cows and heifers, and 29 bulls and bull-calves, owned by Sir Charles Knightly, were sold at auction at an average of a little over \$400 a head. The cows and heifers averaged \$415. Several head of the best were taken by American buvers
