# AYER'S PILLS.

AYER'S PILLS, A NEW and singularly successful remedy for the A cure of all Dilliols discusses — Costiveness, Indi-gestion. Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Inflamme-tions, Headache, Pains in the Breast, Side, Baek, anu Limbs, Female Complaints, &c. &c. Indeed, erey few are the discasses in which a Purgative Medi-eine is not more or less required, and much sick-ness and suffering might be prevented, if a harm-less but effectual Cathartie were more freely used. No person can feel wells while a costive hubit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptons, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which load the hearses all over the land. Hence a reliable family physic is of the first importance to the public health, and this Pill has been perfected with consummate skill to meet that demand. An extensive trial of its virtues by Physicians, Brofes-sors, and Patients, has shown results surpassing any thing hitherto known of any medicine. Curres have been effected beyond belief, were they not sub-tantated by persons of such exalted position and character as to forbid the suspicion of untruth. Among the many eminent, gentlemen who have testified in favor of these Fills, we may mention: Due A. A. HAYES, Analytical Chemist, of Boston, and Due TLAWINSTON, Ex-Speaker of the LS. Romeur C. WINTINDOV, Ex-Speaker of the LOB. More TLAWINSTON, Pactical Chemist, of New York City, endersed by the More TLAWINSTON, Pactical Chemist, of New York City, endersed by M. B. ASTON, the richest man in America. S. LELAND & CO. Propr's of the Metropolitan Hote, and others. Did space permit, we could give many hundred free en used, but evidence even more convincing than the experience of eminent public men is found in there fields upon the rich have beer the field have been

been used, but evidence even more convincing than the experience of eminent public men is found in their edifects upon trial. These Pills, the result of long investigation and study, are offered to the public as the best and nost complete which the preserv state of medical science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, estracted by chemical process in a state of purity, and combined together in such a manner as to insure the best results. This system of composition for medicanes has been found in the Cherry Peetroral and Pills both, to produce a more efficient remedy than had hitherto been ob-tained by any process. The reason is perfectly on-vious. While by the old mode of composition, every medicine is burdened with more or less of acti-monious and injurious qualities, by this each indi-vidual virtue only that is desired for the curative effect is present. All the inert and obmovious qual-ities of each substance employed are left behind, the curative virtues only being retained. Hence it is solvedient the effects should prove as they have proved more purely remedial, and the Fills a surer, more powerful antidote to disease than any other medicine known to the world. As it is frequently expedient that my medicine should be taken under the counsel of an attending Physician, and as he could not properly judge of a remedy without knowing its composition. I have supplied the accurate Formulae by which both my Peetoral and Fills are made to the whole body of Practitioners in the United States and Brilish Auer-ican Provinces. If, however, there should be any one who has not received them, they will be promptly forwarded by mail to bis address. Of all the Patent Medicines that are offered, how few would be taken if their composition was known ! Their life consists in their mystery. I have no suysteries. THE undersigned respectfully inform their friends and the public concentration Dr. Banning's Improved Patent Body Brace, For the cure of Prolapsus Uter: Spinal Props Hamilton streets, near Dresher's Lumber yard, when they offer a fac assortment of C A B I N F.
