ROSE'S PATENT WINDOW BLINDS. THE subscribers invite the attention of the public to their PATENT WINDOW BLINDS, which they are now manufacturing, and selling wholesale and retail, at their Factory, No. 125 West Hamilton St., Allentown, Penna. These Blinds are far superior to any other ever manufactured, and are secured by Letters Patent, known as "Rose's Patent." They are greatly superior to all others in the fact that they are constructed with upper and lower heads, in such a manner that when the upper head is fastened to the window-frame, the lower part may be separated or connected with ease. A little child can take the blind down, clean and replace it. This is a great advantage when it is remembered that with the old style of Blinds, a mechanic was always necessary to take them down or put them up.
