Moooring Cough.—Dr. Clickener's Sugar Couted Vegetable Pills, are an infullible remedy for the whooping cough, he will be seen by the following, letter:

Dr. C. V. CLICKENER:

My Dean Sir: Not long since, a child of mine was taken badly with the Whooping Cough, and as we have no Doctor within 30 or 40 miles of us, I asked a neighbor of mine if he knew of anything that was good for it. He said he did not exactly know whatto recommend, but ther ewas a box of Clickener's Gugar Sated Pargative Pills in the house, which he had bought of a pedlar the last time he was at Chief, and if they were as good as they pretended to be, there was no telling but they might be of service to my James. I concluded to try them, and shall never regret that I did so, The little fellow had to take only two or three doses before the cough entirely left him. Though only 3 years old, he has often said to me since, "Pa, give me some more of them sugar shame." I do have them so deastly I wished. him. Though only 3 years old, he has often suid to me since, "Pa, give me some more of them sugar plums. I do love them so dearly." I wish you would send me per hearer, 12 boxes, and he will per you for them. The country hereabouts is so thinly settled, and Physicians so difficult to get at, that I think it was should establish an argume at Chicago. ink, if you should establish an agoney at Chicago, would prove a profitable speculation for you.

Yours, in haste, JOHN WALKER. Those Pills may be had of Storebeepers in every City, Town, Village or place in the United States.
