TOTA SERIOUS TALK .- We wish to impress it on the people of this rapidly growing country, many of whom are bearing about their bodies the seeds of disease which may in time develope itself in the form of Serofula. Rheumatism, Syphilis, Murcurial affections, or other kindred diseases, which when they get first hold of the system soon leaves the constitution first hold of the system soon leaves the constitution but a shattered wreck, that among all the medicines yet known, Carter's Spanish Mixture is the only positive and unfailing Purifier of the Blood—containing neither Mercury, Arsenic, Opium, or any other dangerous drug or noxious herb, so generally used in such cases. It still possesses a power over the blood, rendering it pure and healthy which before its discovery was of all others the thing to be desired. It cures Scrofula, Rhoumatism, Syphilis, Fever and Ague, and all that class of diseases, by expelling from the blood all impurities which clog and disturb the correct fetion of the system. More than a thousantd such cases have been permanently than a thousand such cases have been permanently and radically cured by its use, and we take pleasure in extending its field of usefulness by advising our friends to try it.
