

EAST HORSE.—The quickest time upon the race course of the Farmers' and Mechanics' Institute, was made by the pacing horse Roanoke, belonging to Mr. John Schetz. He made the mile (twice around the track) in 2 minutes and 28 seconds. Roanoke, some years since, had the reputation of being the second fastest pacing horse in the country. The quickest time ever made by him was made on Union Course, Long Island, being 2 1/2 the mile.—Eastonian.

Who is John C. Fremont? The enemies of Fremont often put the above question in a sneering manner. We shall answer it. John C. Fremont is one of nature's noblemen. Born of poor but respectable parents, without money or family influence to aid him, he has by his enterprise, his talent, his honesty, and his industry, won to himself a name that ranks high among the most honorable men of his country. He is the man who has spent most of his life in developing the resources of the great West for his country's welfare, and who has gained an immortal name for his noble daring and his brave exploits. He is the man who conquered California and made her a free and useful State; and above all, he has by his noble wealth and fame, in the advocate of the free laboring man and mechanic, and not the apologist of slavery. He stands now before the people of the country as the opponent of the extension of slavery into the great territories of the West, in opposition to James Buchanan the slavery propagandist, who would by his policy have slavery extended all over the whole country. This is John C. Fremont. Are you answered?

Who is James Buchanan? He is an old bachelor of Pennsylvania, who was educated in the field of party politics and has spent a great portion of his life in office. He has from early manhood been known as a political wire puller who had more at heart the success of his party and himself than the welfare of his country. In 1815 a rank Federalist, he assisted the Democratic party and assailed it with all his power. He has since been the warmest advocate of that party, and during the times of its success has meted out his share of its spoils. A citizen of a free state, he is the advocate of slavery and the exponent of the Cincinnati pro-slavery platform. The slanderer of Henry Clay, the diplomatist who claims that might makes right, the opponent of free labor, the endorser of Franklin Pierce, the savior of Douglas, the apologist of Bully Brooks, he is now the Democratic candidate for the Presidency, who will be badly defeated in November next by John C. Fremont. This is James Buchanan.

A Convention of colored men recently assembled at Williamsburg, New York, when resolutions were reported, recommending the formation of suffrage associations, and that measures be taken to urge upon the Legislature at its next session, the justice and expediency of granting to colored men equal political rights.

There is a fiddle in Maine which is so big that it takes four horses to draw the bow, and a stroke produces a sound that lasts for six weeks.

The Southern Democracy on Free White Labor.

The Richmond Enquirer, a leading Buchanan paper in Virginia, discourses thus eloquently on the doctrine avowed by the Buchanan Democratic party. It is the same that is now using the bullets and bayonets of the nation to exterminate the Free White men of Kansas. READ, READ:

"Make the laboring man the slave of one man, instead of the slave of society, and he would be far better off than he is now. Two hundred years of labor have made LABORERS A PAUPER BANDITTI." "Free society has failed, and that which is not free must be substituted."

"FREE SOCIETY IS A MONSTROUS ABORTION, and slavery the healthy, beautiful and natural being which they are trying unconsciously to adopt."

"The slaves are governed FAR BETTER THAN THE FREE LABORERS OF THE NORTH are governed. Our negroes are not only BETTER OFF as to physical comfort than the FREE LABORERS, but THEIR MORAL CONDITION is better."

"We do not adopt the theory that Ham was the ancestor of the negro race. The Jewish slaves were not negroes; and to confine the jurisdiction of slavery to that race would be to weaken its Scriptural authority, and to lose the whole weight of profane authority, for we read of no negro slavery in ancient times."

"SLAVERY BLACK OR WHITE IS NECESSARY." "Nature has made the weak in mind or body slaves." "The wise and virtuous, the brave, the strong in mind or body, are born to command."

"Men are NOT born entitled to EQUAL RIGHTS. It would be far nearer the truth to say that some were born with SADDLES ON THEIR BACKS and others BOOTEED AND SPURRED UP THEM—AND THE RIDING DOES THEM GOOD. THEY NEED THE REINS, THE BIT AND THE SPUR."

"Life and liberty are not inalienable." "THE DECLARATION OF INDEPENDENCE IS EXUBERANTLY FALSE AND FALLACIOUS."

Do the laboring men of the North want any thing more to exhibit to them the principles of the Slave Oligarchy, that boasts now that IT WILL SUBDUDE FREEDOM?

Approving of the Kansas Outrages. The Cincinnati Convention which dominated James Buchanan for the Presidency, adopted the following resolution, thus approving of the scenes of violence, robbery, rapine and murder in Kansas, which Pierce has sanctioned and approved by refusing to do any thing to suppress them, or to bring any of the perpetrators to justice; and by his own declaration: "Resolved, That the Administration of FRANKLIN PIERCE has been true to the democratic principles, and therefore, true to the great interests of the country; in the face of violent opposition he has maintained the laws at home, and therefore we proclaim OUR UNQUALIFIED ADMIRATION OF HIS MEASURES AND POLICY."

War in Kansas. GREAT EXCITEMENT! It is an indisputable fact that at the present time there is much excitement existing all over our country, and great men are discussing the important question of whether the Territory of Kansas shall be a free or slave State. But we take pleasure in informing the people of Allentown and surrounding country, who desire to live a peaceful life, that we have just received from New York and Philadelphia a large and heavy stock of Fall and Winter goods. We do not think it necessary to "blow" and "gasp" about "30 and 40" cut-runs (as some of our neighbors do) and of making people believe we can sell cheaper than anybody else, because we believe "honesty is the best policy." We must have a small profit on everything we sell, and so must others if they try to make an honest living, which fact is well known by the public. We buy and sell for prices, which with "many sales and small profits," however enables us to sell almost as cheap as similar goods are sold in the cities, and as cheap as the cheapest in Allentown. These are honest facts, and we invite persons to examine for themselves before making purchases elsewhere, which will no doubt convince them of what we say. GUTH & SCHLOUICH, 41 West Hamilton St.

Men's Wear.—Black and blue Cloths, of all prices, Black and fancy Cassimeres, Sattinette and Silk Vestings, Silk and Cotton Shirts and Drawers, a full assortment, for sale cheap by GUTH & SCHLOUICH.
