Lochman's

AMBIOTYPE GALLERY,

No. 9 West Hamilton Street, Allentown, Pa.

LOCHMAN respectfully informs the citizens of Allentown, that he has just received a new and improved AMBIOTYPE process in connection with Daguerotypes. His Ambiotypes are far superior to those of any other operator in town—however many he calls the "Patent" Ambiotypes, to the contrary notwithstanding. The Ambiotype is a new and beautiful style of picture taken on glass, and unequalled by any other style. They are without the glare of the Daguertype, and therefore can be seen in any view. They can be seen on either side of the plate, are not reversed, and show every thing as it really is. Their cost is but a trifle more than a Daguertype, and they are indistinguishable to the action of the atmosphere, and cannot be injured by rubbing or washing. Both Ambiotypes and Daguerotypes can be taken in an unobstructed style without recourse to a lens. By long experience, Ambiotypes, in a delicate and healthy manner, and having no injurious effects, he feels assured that any one who may favor him with a call will receive the best and most perfect pictures that can be executed, in point of artistic beauty, by anyone in this section of country. He would also invite attention to his new and splendid stock of cases, which range in price from 50 cents to \$100. Please call in mind, that pictures can be taken in clear or hazy weather.

A GREAT TIME!

MR. BRECKINRIDGE,

The Democratic Candidate for the Vice Presidency is at present stamping the State, and it is expected he will also visit Allentown, in which event, a committee will be in readiness to escort him on his arrival to Rock & Newbards Clothing Store, No. 35 West Hamilton Street, where he is to be fitted with a suit of clothes. They have just returned from New York and Philadelphia, where they purchased a large stock of—

FALL AND WINTER GOODS,

consisting of entirely new and desirable styles, such as can be found at no other Merchant Tailoring Establishment in Allentown. The goods were selected with the greatest care, and will be made up in the latest style and fashion, and warranted to prove the same as represented at the time of purchase. Observe, that every article of Clothing sold by the proprietors of this establishment is of their own make, and will be relied upon as being good durable work. Among their extensive assortment may be found, fine Black and Blue-velvet styles.

DRESS AND FROCK COATS,

made in the latest fashion of French and English Coats, new style Business Coats, of Black, Brown, Blue, Olive and Green Cloths, and plain and figured dress Coats, of all qualities, styles and prices, manufactured and sold by the proprietors in the READY MADE CLOTHING.

From an over-stock down to an undershirt. The three great features of Rock & Newbards Store are, that they buy for Cash, and consequently can sell cheaper than any of the others; their goods made up under their own supervision, and last though not least, they sell them for what they really are.

Also, a large stock of Handkerchiefs, Shirts, Collars, Winter Hosiery, Under Shirts and Drawers of all kinds, and everything in fact that is usually kept in stores of the kind. Call and see before you purchase elsewhere, as they will gladly show what they have. They are satisfied that all their goods bear a close examination.

KECK & NEUBARD.

Allentown, Sept. 17.

FAIR! FAIR! FAIR!

THIS Agricultural Fair always attracts considerable attention in the mind of the public, and always brings a host of strangers to town, many of whom make some kind of a purchase while here, and of course try to carry out self-interest by buying where they can get the cheapest and most fashionable articles for the least money. We therefore take this opportunity to advise the public that we have made up for our Fall and Winter stock of Dry Goods, Ready-Made Clothing, &c., and which we can afford to sell cheaper than any other Store in town, and for the proof of what we say we only ask a call before purchasing or making choice of articles, that there is no possibility of showing what we have, not force any person to buy if prices, styles and quality are not suitable. We are confident we have the most fashionable goods in town, because we have no 20 year old stock on our shelves, and our goods are frequently changed. We are now nearly everything is fresh, and always making to keep it so, by selling at such low prices that at the end of each season we have scarcely anything remaining. We buy exclusively for CASH, and by giving that per centage we can sell lower than any other Store in town, and who are therefore compelled to "screw" the discount out of their patrons. These are facts worthy of consideration. We have just received a large stock of all the latest styles of MESS (GOODS, of the latest styles of plain, black, Laines, barred and striped Silks, very cheap, De Laines, Cashmere, De Boges, Plain De Laines, plain and fancy all-wool De Laines, Colored Cloths, Alpaccas, Luster and others, which we sell at prices, from 50 cents up to \$2.00. OF SHAWLS we have a large and superior assortment, such as Broche,—single and double, Day State, Cloth, Cashmere, Operas, Stollas, &c., of all prices and qualities.
