FIRES IN PUILADELPHIA DURING 1856 .om the Records of the chief Engineer of the Fire Department, it seems that there were 290 fires during the year just passed. The estimated aggregate loss is over a million and a half of About two-thirds of the entire sum was covered by insurance. Of these fires 101 are attributed to accident, 95 to incendiaries, and the origin of the remainder is unknown. The heaviest loss was in the month of May.— The severe fire at Sixth and Market streets, in that month, adding \$600,000 to the grand aggregate of losses, and October was next to April in point of severity. January was the lightes month in this respect, the loss by fire during the month being short of \$6000-Daily Sun.

SP We feel assured we cannot do our readers a greater favor than to call their attention to the merits of an article which has done more to relieve suffering humanity than anything which has yet come to our knowledge. It possesses a power over the blood truly remarkable, and all disenses proceeding from impu-rity of the system ; among which may be particular-ly named Scrofula. Syphilis, Salt Rheum, Rheuma-tism, Mercural Disense, Pains and Aching of the Bones and Joints, and Liver Disease, have been per-manently and positively cured by resorting to Car-ter's Spanish Mixture. The proprietors of this real-ly valuable remedy are daily receiving letters from all parts of the country, which are really astonishing. Many of the cases had resisted all the efforts of the best physicians and were only snatched from the jaws of death by a timely use of this inestinable article. If you are afflicted with any disease of the blood, do not delay, but try it at ence. To be had at Moser's Drug Store, Allentown.
