Store and saw a pile of about 2500 yds. of cloth, consisting of 2500 yds. of 37 1/2 cts. price. On the other side I saw about 4000 yards fancy De Laines; and a little further along about 6000 yds. of twilled Persian Cloth; on the other side I hit my elbow against 14 or 15 cart loads of Calico, and a little further along there was a pile of 8 or 10,000 yds. shirting and sheeting from 1 to 2 1/2 yds. wide.

one side of the store saw many thousands of cloth, consisting of muslins, Kentucky jeans, tweeds, &c. of all colors and prices. I then began to get towards the rear end of the store, and my eyes fell on carpets, oil cloths, looking glasses, window shades, glass and queensware. By this time I began to get pretty tired and sleepy, and as I turned around at the end of the store I made a mis-step and down I went, head over heels, into the cellar.
