They have just received from New York and Philadelphia, a large and splendid assortment of Ladies and Gentlemen's Dress Goods. As pressing and blowing seems to be a prominent feature with most of our business men in advertising their goods, we do not want to say anything about the killed and shrieks of the wounded and groans of the dying, and we do not pretend to say that we have two thousand cartloads of Fall and Winter Goods, and we need not employ four thousand or five hundred clerks, negroes, blacks, and one of the upper ten to give command; neither do we say that our piles of goods are mounting high. We think that the people of Lehigh and surrounding counties are an intelligent and enlightened people, not as some business men think them to be, who would not puff and blow about his one thousand or hundred shirts and seventeen cartloads of Plain and Fancy Dress Goods; our stock consists not of 35,000 yards of Alpaca and Silk, but our Dress Goods are all of the most fashionable selections, comprising Rich and Fancy Silks, new Styles, Boiled Black Silks, Imported French Silks, every shade and color, handsome Bayaderes Silks, Machine and Thread Silks, &c. Stalls, Blankets and long Brocade Shawls, every known Size, Style, Shade, Color and Quality. NELIGH & BREING TO THEIR NEW CLOTHING HOUSE LION HALL.

NELIGH & BREING, feeling it an imperative duty to accommodate the public, found it necessary to procure a commodious place of business, and accordingly erected a PALATIAL CLOTHING HOUSE, on the corner of Church Alley and Hamilton street, opposite Moser's Drug Store, of which they have just taken possession, being the largest, most commodious, and best arranged building for the business in Allentown.

READY MADE CLOTHING.

WE are daily adding thereto all kinds of articles pertaining to Men and Boy's wear which will be sold at extraordinary low rates, as they go upon the principle that a "nimble sixpence is better than a slow shilling." They have not a rack of goods, but on the contrary, are superior in quality, make and style, to any establishment in the place. Give them a trial and you will find the PALATIAL CLOTHING HOUSE is the place for everybody. Their winter purchases comprise entirely new and desirable styles, such as can not be found at any other Merchant Tailoring establishment in Allentown. Their goods were selected with the greatest care, and will be made up in the latest style and fashion, and warranted to prove the same as represented at the time of purchase. Observe, that every article of Clothing sold by the proprietors of this establishment is of their own make, and may be relied upon for its quality and durability. Among their extensive assortment may be found, fine Black and Blue new style Dress and Frock Coats, made in the latest fashion, consisting of Shirts, Collars, Stocks, Cravats, Business Coats, of Black, Blue, Olive, and Green Cloths, and plain and figured Cassimere; Over Coats, of all qualities, styles and prices, pantaloons, and in fact everything in the READY MADE CLOTHING LINE, from an overcoat down to an undershirt. The three great features of Neligh & Breing's Clothing, are, that they are usually made, and consequently can sell cheaper than any of the others; their goods are made up under their own supervision, and for the most part, they sell them for what they really are.

READY MADE CLOTHING.

Also, a large stock of Handkerchiefs, Shirts, Collars, White Stocking, Under Shirts and Drawers of all kinds and of the best quality, and we have a large stock of the kind. Call and see before you purchase elsewhere, as they will satisfy you that they have a large stock of all their goods will bear a close examination. Sept. 21, 1859.
