Ayer's Sarsaparilla

A compound remedy, in which we have be-bored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease. Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those whe suffer from Strumous complaints, and that one that such a remedy is wanted by those whe suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted follow-citizens. How completely this compound will do it has been proven by exper-iment on many of the worst cases to be found

of the following complaints:

SCROFULA AND SCROFULOUS COMPLAINTS,
ERUPTIONS AND ERUPTIVE DISEASES, ULCRES, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILITIO AF-PECTIONS, MERCURIAL DISEASE, DROPSY, NRU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PERSIA AND INDIGESTION, ERYSIPELAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from IMPURITY OF THE BLOOD.

THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body rid itself of corruptions, if not assisted to do
this through the natural channels of the body
by an alterative medicine. Cleanse out the
vitiated blood whenever you find its impurities
bursting through the skin in pimples, cruptions,
or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it
whenever it is foul, and your feelings will tell
you when. Even where you particular disorder whenever H is iou, and your rectings win tent you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla,

contain but little of the virtue of Sarsaparius, or any thing clse.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of cr. Hence, bitter and paintin disappointments followed the use of the various extracts of Sarsaparilla which flood the market, until the satisfarina when nood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete cradication from the system, the remedy should be judiciously taken according to directions on the bottle.

has won for itself such a renown for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence of its virtues, wherever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is keyt up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofors unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostettor's Stomach Bitmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bettles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country are ready at all times to give testimonials to its efficacy in all cases of stomachie derangements and the diseases resulting therefrom.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned gentler sex.
