Why by my management, with the hired help lay out one dollar in cash, for any article he alone, I save more in a year than it costs to might be in want of; he would either do with-

divert her mind by asking if she had a hard gant which we do really need. But when it comes for conveyance of his whiskey and flour to Balto grinding the face of the poor, and depriving | timore, where, when he could not sell for money "God have mercy on the rich!" was the bit- them of their hard earned rights that we may at a price to suit him, he bartered for necessa-

"There you are mistaken, love; they may ometimes, be deceptive—as a general thing, I have not found them so. The poor woman whom you to day deprived of one fourth of her rages is the widow of the man who was killed by a fall from the scaffolding of one of my buildknew him to be honest and industrious. I had but he would not sell it for less than thirteen ngs. He had worked for me for years, and I lost sight of the widow until to day, when Col. dollars and they did not agree. The seed was Finley, who is on a committee to inquire into, wants of the poor and destitute, called at my sold for seven donated and fifty dollars less office and mentioned the fact of a poor woman the child's awakening, let us take a peep into living in a certain alley, who was entirely destitute of the common comforts of life, and who said her husband was killed by a fall form one throught his farm, went to his distillery, and ty and affliction. Her only child lay dying upon a pallet of straw. She had no fire, having "You look tired, wife," said the husband. as she said, used the last chip for the purpose What have you been doing all day?"

of making a little chicken broth for her child. Hudson to Rhinebeck on the ice in a large which he, poor little fellow, was too far gone to taste.

> . "The dying taper flickered and went out rying with it eight of the passengers, who soon after my arrival, leaving us in the dark were drowned. which I have so often heard you sing-

"O! young and joyous creatures, One lamp from your stere Would give that poor boy's features To his mother's gaze once more,

"Judge, then, if you can, of my feelings as I listened to the recital of her history, from the time of her husbahd's death 'till now. How her little means had diminished day, until she had been obliged to seek cheaper lodgings in this unhealthy alloy-how she exerted herself to keep want from her door-how children who, during her husband life had been accustomed to good, healthy food had sickened upon such as she could provide for them, and one by one "Mrs. Markly's face crimsoned a little as removed to the church vard, until now her youngest and her last had sickened-how he had craved chicken soup when she had no mon-"Then she made up the time that she lost ey and no work. But that day she had worked hard, encouraged by the hope of being able to provide some medicine and a chicken for "Are you sure you did quite right to turn her child-how the lady found fault with her her off with but three shillings when she felt for being a half hour behind time, and, though she had stayed and worked late to make up the time she had only paid her three shillings for at all if I give these people just what they ask the day's work, consequently she must do withevery time? It's a shilling here and a shilling out one or the other-either the medicine or

regretted not getting the medicine enstead. "When I asked the name of the lady for whom she had worked, and who had been mean The dinner services had been removed, and enough to retain a portion of her hard-carned the gate replenished with coal, which sont its wages, I was overwhelmed when she gave the Madame Tournure, the celebrated French mil- ly saying, "if she had given me what was honliner was announced. She came bustling in estly mine I should not have to sit to night in

> A deep sob burst from the bosom of Mrs. Markley as she said—

"I did not think she was so poor. Oh! my husband, let us go to her to night. I will repair the wrong I have done by every means in my power, and do all I possibly can to nurse the child back to life."

"It is unnessary to go out to night, as I put some money in her hand when I left, and ordered from the store such things as I thought she might need; but we will see her in the morning." The next morning the elegant carraige of Mr. Markly stopped before the humble door

to meet them, and a perceptible shudder pas-
