Dyspepsia Remedy

DR. DARIUS HAM'S

AROMATIC INVIGORATING SPIRIT.

This Medicine has been used by the public for six years, with increasing favor. It is recommended to Cure Dyspepsia, Nervousness, Heart-Burn, Colic Pains, Wind in the Stomach, or Pains in the Bowels, Headache, Drowsiness, Kidney Complaints, Low Spirits, Delirium Tremens, Intemperance..

IT STIMULATES, EXHILARATES, INVIGORATES. BUT WILL NOT INTOXICATE OR STUPIFY.

AS A MEDICINE, it is quick and effectual, curing the most aggravated cases of Dyspepsia, Kidney Complaints, and all other derangements of the Stomach and Bowels, in a speedy manner.

It will instantly revive the most melancholy and drooping spirits, and restore the weak, nervous and sickly to health, strength and vigor.

Persons who, from the injudicious use of liquors, have become dejected, and their nervous systems shattered, constitutions broken down, and subject to that horrible curse to humanity, the DELIRIUM TREMENS, will almost immediately, feel the happy and healthy invigorating efficacy of Dr. Ham's Invigorating Spirit.

WHAT IT WILL DO.

Dose.—One wine glass full as often as necessary.
One dose will remove all Bad Spirits.
One dose will cure Heart-burn.
Three doses will cure Indigestion.
One dose will give you a Good Appetite.
One dose will stop the distressing pains of Dyspepsia.
One dose will remove the distressing and disagreeable effects of Wind or Flatulence, and as soon as the stomach receives the Invigorating Spirit, the distressing load and all painful feelings will be removed.
One dose will remove the most distressing pains of Colic, either in the stomach or bowels.

A few doses will remove obstructions in the Kidney, Bladder or Urinary Organs.

Persons who are seriously afflicted with any Kidney Complaints are assured speedy relief by a dose or two, and a radical cure by the use of one or two bottles.

NIGHTLY DISSIPATION.

Persons who, from dissipating too much over night, and feel the evil effects of poisonous liquors, in violent headaches, sickness at stomach, weakness, giddiness, &c., will find one dose will remove all bad feelings.

Ladies of weak and sickly constitutions, should take the Invigorating Spirit three times a day: it will make them strong, healthy and happy, remove all obstructions and irregularities from the menstrual organs, and restore the bloom of health and beauty to the careworn face.

During pregnancy it will be found an invaluable medicine to remove disagreeable sensations at the stomach.

All the proprietor asks, is a trial, and to induce this, he has put up the INVIGORATING SPIRIT in pint bottles, at 50 cts., quarts $1.

Dr. Wm. Bunce's Adjusting Splint.

THE undersigned, having purchased the patent-right for Lehigh County, hereby inform the public that they are prepared to furnish Dr. Wm. Bunce's Adjusting Splint. This instrument for simplicity and utility in the treatment of different fractures and dislocations, is a decided improvement on any other now in use. Attention is called to the following recommodations from gentlemen distinguished in the medical profession.

Columbus, Ohio, February 17, 1857.

I have examined the apparatus of Dr. Wm. Bunce. It is a combination of Adjustor and Splint, and well adapted to meet the indications for which it is designed. It is really an improvement on most if not on all such instruments. By the Adjustor, dislocations as well as fractures, may be controlled, while by the splints, all the advantages may be obtained without many of the inconveniencies incident to most of those in use.

This apparatus therefore deserves the attention of physicians and surgeons, being from its price accessible to all, and in my judgment being an improvement on things of the kind now in use.

DR. JOHN DAWSON.
Professor of Anatomy and Physiology, Starling Medical College.

Cleveland, January 17, 1857.

I have examined Dr. Bunce's Adjustor, and find it a capital instrument to bring about perfect coaptation of the fragments in case of fracture.

It seems to me also well adapted to exercise extension and counter-extension in case of dislocations, having the advantage over any other instrument, by allowing manipulations of the limbs during extension.

I can cheerfully recommend the instrument of Dr. Bunce to my professional brethern in the country, who need to have a reliable apparatus on hand for such emergencies. DR. GUSTAV C. E. WEBER.
Professor of Surgery in Cleveland Medical College.

I fully concur with Professor Weber in relation to Dr. Bunce's Adjusting Splint.

PROCTOR THAYER, M. D.
Professor of Anatomy and Physiology, Cleveland Medical College.

This is the best instrument of the kind now in use. The Splint is so constructed that it may be adapted to any length of limb. It can be used on the principle of double inclined plane, or it can be used as the long straight Splint.

The Adjustor can be applied with, or without the Splint and is *easily* applied to any fracture or dislocation of any of the straight bones. With this adjustor properly applied, it is utterly impossible to get shortening of the limb, and without so perfectly simple in its construction that any Surgeon will see at once how the instrument is applied. Price of the whole apparatus, $25. The Adjustor alone $12.

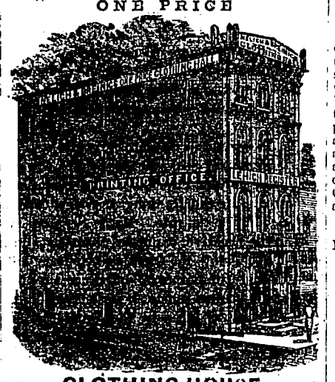
NELIGH & BREINIG'S

ONE PRICE



CLOTHING HOUSE

LION HALL.

NELIGH & BREINIG, feeling it an imperative duty to accommodate the public, found it necessary to procure a more commodious place of business, and accordinly erected a

PALATIAL CLOTHING HOUSE,

on the corner of Church Alley and Hamilton street, opposite Moser's Drug Store, of which they have just taken possession, being the largest, most commodious, and best arranged building for the business in Allentown.

The proprietors of this New and Magnificent Clothing Establishment, take pleasure in further announcing that they have also increased their tremendous Winter Stock of

READY MADE CLOTHING,

and are daily adding thereto all kinds of articles appertaining to Men and Boy's wear which will be sold at extraordinary low rates, as they go upon the principle that a "nimble sixpence is better than a slow shilling." They have no trash of yours on their shelves, which they try to palm off for new sound, goods, but on the contrary, are superior in quality, make and style, to any establishment in the place.—Give them a trial and you will find the PALATIAL CLOTHING HOUSE is the place for everybody.—Their winter purchases comprise entirely new and desirable styles, such as can not be found at any other Merchant tailoring establishment in Allentown.—These goods were selected with the greatest care, and will be made up in the latest styles of fashion, and warranted to prove the same as represented at the time of purchase. Observe, that every article of Clothing sold by the proprietors of this establishment is of their own make, and may be relied upon as being good, durable work. Among their extensive assortment may be found, fine Black and Blue new style Dress and Frock Coats, made in the latest fashion of French and English Cloths, new style Business Coats, of Black, Blue, Olive and Green Cloths, and plain and figured Cassimeres; Over Coats, of all qualities, styles and prices, pantaloons, vests, and in fact everything in the READY MADE CLOTHING LINE, from an overcoat down to an undershirt.

The four great features of Neligh & Breinig's Store are, that they buy for Cash, and consequently can sell cheaper than any of others; their goods are made up under their own supervision, and they sell them for *what they really are*, and last though not least they sell their goods for Cash.

Having adopted the CASH system, they are not compelled to provide against losses by increased prices. Buyers who pay cash are not required to make up the losses, of such as will not pay.

Also, a large stock of Handkerchiefs, Shirts, Collars, Winter Hoisory, Under Shirts and Drawers of all kinds, and everything in fact that is usually kept in stores of the kind. Call and see before you purchase elsewhere, as they willingly show what they have.—They are satisfied that all their goods will bear a close examination.
