Messra. S. W. FOWLE & CO., BOSTON. -- Dar Sirse:
Having realized in my family important benefits from the use of your valuable preparation, -- Wister's Balann of Wild Cherry, -- it alfords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of herrecovery were entertained. I then procured a bottle of your excellent Balann, and before sho-hed taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and havé always been benefited by it. I would, however, caution the public against imposition, because there is a good deal of spurious Wistar's Balaam of Wild Cherry godat throughout the country.
