#### LIFE.

How truly does the journey of a single day, its changes and its hours, exhibit the history of human life ! We rise up in glorious freshness of a spring morning. The dews of night, those sweet tears of nature, are hanging on each bough in the refreshing morning. Our "Certainly, I shall be ready to do so at any hearts are beating with hope, our frames are The next day little Minnie, the youngest buoyant with health. We see no cloud, we daughter of the pastor, came home, admiring a fear no storm, and with our chosen and beloved beautiful bunch of flowers which she carried in companions clustering around us, we commence our journey. Step by step, the scene becomes more lovely ; hour by hour, our hopes The old lady called me in again to day, and become brighter. A few of our companions have dropped away, but in the multitude re-"I can't think who it is that gives these maining and the beauty of the scenery, their loss is unfelt.
