The Wine Crackers manufactured by A. Exton, of Trenton, N. J. are composed of wheat flour, sugar, butter, lard, lemon and common salt. The delicacy of taste, lightness and crispness depend altogethe upon the purity of material, mixing and baking.— They are easy of digestion, nutritive, and palatable, are oxcellent food for the cick as well as those in perfect health. The Water Crackers are equally pure. Their superior quality is owing to the skill with which they are manufactured.

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous compleints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizens. How completely this ompound will do it has been proven by experiment on many of the worst cases to be found

of the following complaints: -SCROPULA AND SCROPULOUS COMPLAINTS, ERUPTIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, SYPHILIS AND SYPHILIFIO AF-FECTIONS, MERCURIAL DISEASE, DROPSY, NEU-RALGIA OR TIC DOULOUREUX, DEBILITY, DYS-PEPSIA AND INDIGESTION, ERYSIPELAS, ROSH OR St. Anthony's Fire, and indeed the whole class of complaints arising from IMPURITY OF

The Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something

must go wrong, and the great machinery life is disordered or overthrown. Sarsaparilla has, and deserves much, the reputation, of accomplishing these ends. the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla.

During late years the public have been mis-led by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsapa-rilla, but often no curative properties whatev-or. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsanarilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is keyt up to the best it ever has been, and that it may be relied on to do for their relief all it has ever been found to do.

GLENN'S ONE PRICE HAT AND CAP STORE,

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTÉR'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bit-ters for the last year amounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the prepara-tion, and the sanction of the most prominent physicians in those sections of the country physicians in those sections di-the country-where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements

and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as coduring as time itself...
Hostetter's Stomach Bitters have proved a Godsend to regions, where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Fitters" are a certain cure for the Dyspepsia and like disenses, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find n it a stimulant peculiarly adapted to comfort leclining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility: acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if the be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of ody and mind is generally aggravated. Here, then, is a necessity for a stimulant to recupe-rate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the faste as well as certain to give a permanent increase

of bodily strength.
All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by mabria, diarrhea, dysentory, indigestion, loss of appetite, and all disenses or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hos-telter's Celebrated Stomach Bitters a trial. GAUTION .-- We caution the public against

using any of the many imitations or counterfeits, but ask for Hostetter's Creebnated STOMACH BITTERS, and see that each bottle has the words "Dr. J. IIANOVER, P.A., Feb. 16, 1859.

Messrs. S. W. FOWLE & CO., BOSTON. — Dear Sirs. Having realized in my family important benefits from the use of your valuable preparation, — Wister's Balsam of Wild Cherry, — it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement cellent Balsam; and before she had taken the whole of he contents of the buttle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been henefited by it. I would, however, caution the public against imposition, because three is a good deal of spurious Wister's Balsam of Wild Cherry aften throughout the claustry.
