LIVERY STABLE. WILLIAM F. YEAGER.

RESPECTFULLY informs his friends and the public generally, that he still continues to carry on the Livery business in Law Alley, (in the rear of Dr. Romig's residence,) where he is prepared to accommodate all who wish horses and vehicles, at the shortest notice and on reasonable terms. His stock of Horses has been selected with great care, and trained with an especial view to safety, which places him in a position of keeping the very model of a LIVERY STABLE.

He does not approve of hiring out broken-down, balky, ring-boned, spavined, or diseased horses, but of keeping the right kind of stock, such as can travel well and do credit to his stable. His carringes and vehichles of every description will always be kept clean and in good order.

HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heutofore unknown. A few facts upon this poin will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitter for the last represented for each other transfer. ters for the last year amounted to over a half-million bottles, and from its manifest steady the coning year the consumption will reach near the million bottles. This immense amount could never have been sold but for the rare medical properties contained in the propara-tion, and the sanction of the most prominent physicians in those sections of the country theo the article is best known, who not only recommend the Bitters to their patients, bu are ready at all times to give testimonials to its efficient in all cases of stomachic derangements and the diseases resulting therefrom. this is not a temporary popularity, obtained by extraordinary efforts in the way of trumpking the qualities of the Bitters, but a solid eximation of an invaluable medicine, which is defined to be as enduring as time itself.

Hostotter's Stomach Bitters have proved Godsend to regions where fever and ague and various other bilious complaints have founted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach de-rangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harasing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here. then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as ceriain to give a permanent increase

of hodily strength

All those persons, to whom we have particutarly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhea, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary superannuated invalues, persons of sectionary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for Hostetter's Celebrated STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the

Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, of Wesleyan University: MIDDLETOWN, Conn., Feb. 28, 1859. SETH W. FOWLE & Co. - Gentlemen : - I diet made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one

day in a wook, I was induced, by the unpretending recommendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use. The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of ser-

STODDARD, N. H., Sept. 30, 1859. Messrs. SETH W. FOWLE & Co., Gonts: — I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything in my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them

I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been produced. The Red Lion. Vhat's the matter? what's the fuss? what's loose?

what's up?
What's the cause of this mighty commotion?
the Jordan on fire? is the Lehigh dried up?
Have the mountains been set all in motion?

Why is all the world racing and running?— It is the Red Lion, he lays himself down With an air full of comfort and cunning; le shakes his thick mane as if in great anger But not with intent to devour,
For he merely roars out: where is friend Gangewere?

Who says that you had been chased out of the Square,

'Cause fifty more rocks had been kicking?

t cannot be true, for it would not be fair,

Unless through some partisan tricking.

This pleases old Gangwere, and puts him in cheer..

And he sings out: wo'll make it all right, sir.

Had I but continued to take some one's beer, I could stay where I was, without doubt, sir. They think that the square is a magnet of might,

My "Pretzels" have always been splendid, they say, And so was my "Swietzer"—by Jingo! And Segars that I've frequently given away, Are selling at 3 cents in Mingo.

And had I not served up so "bully," indeed, It would be "by golly" no wonder, That no one would follow me over the street, When others do serve over yonder

Your old daddy Gangower has plenty of room You'll find none so clever and sprightly. And should his new cellar take fire, the flame
