The Wine Crackers manufactured by A. Exton, of Trenton, N. J. are composed of wheat flour, sugar, butter, lard, lemon and common sait. The delicacy of tasto. lightness and orispness depend altogether upon the purity of material, mixing and baking.—
They are easy of digestion, nutritive, and palatable, are excellent food for the sick as well as those in perfect health. The Water Crackers are equally pure. Their superior quality is owing to the skill with which they are manufactured.

The proprietors and manufacturers of HOS-TETTER'S CELEBRATED STOMACH BIT-TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning p volumes of bare assertion or blazoning puffery.
The consumption of Hostetter's Stomach Bit-ters for the last year amounted to over a half-million bottles and from the mounted to over a halfmillion bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare contra never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of storage line days. efficacy in all cases of stomachic derangements enicacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destinated to be a cardinal and time itself.

destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by bundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsin and like diseases, is to the proprietors a source of un-alloyed pleasure. It removes all morbid matter from the stomach, purifies the blood; and imparts renewed vitality to the nervous system. giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs. mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort per directi declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonie, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the delice of physicians, they have abandoned the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. Nursing mothers generally prefer the Bitters to all other invigora-tors that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhosa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, superannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

Reliable Testimony. We call the attention of the reader to the following letter from President Smith, of Wesleyen University: MIDDLETOWN, Conn., Feb. 28, 1859.
SETH W. POWLE & Co. - Gentlemen: - I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one

day in a week. I was induced, by the unpretending rec endation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use." The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestiv organs. I now deem myself as exempt from Dyspepels as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours, AUGUSTUS W. SMITH. THE OXYGENATED BITTERS.

Gents: — I was, for many years, a great sufferer from Dyapepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen botties, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair rial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been pro STEARNS FOSTER.

what's up?
What's the cause of this mighty commotion!
Is the Jordan on fire? is the Lehigh dried up?
Have the mountains been set all in motion? What does Jack yell about? what is got into Brown? Why is all the world racing and running it is the Red Lion, he lays himself down With an air full of comfort and cunning;

And asks him the very same hour : Who says that you had been chased out of the

Square, "Cause fifty more rocks had been kicking? It cannot be true, for it would not be fair, Unless through some partisan tricking.

They think that the square is a magnet of might, Surpassing the North Pole's attraction, And draws to its focus, by day and by night The friends of a pure Malt-Decoction.

My " l'retzels" have always been splendid, they say, And so was my "Swietzer"—by Jingo k And Segars that I've frequently given away, Are selling at 3 cents in Mingo.

Now, finally, friends and acquaintances, come And meet at the Red Lion nightly. Your old daddy Gangewer has plenty of room You'll find none so clever and sprightly.

Could be quenched with delicious lager
And the fire in the stomach his lunches will tame,
Then mind and look out for
