SALADS AND SUMMER SOURS.—Physiological research, says the Hall's Journal of Health, establishes the fact, that acids promote the separation of the bile from the blood, which is then passed from the system, thus prevent-ing fevers, the prevailing diseases of Summer. All fevers are "billious," that is, the bile is in contain aids in separating the bile from the blood. Hence the great yearning for greens and lettuce, and salads, in the early spring, these being eaten with vinegar; hence, also, the taste for something sour, for lemonades, or attack of fever. But, this being the case, it is easy to see, that we nullfy the good effects of berries in proportion as we eat them with sugar, or even with sweet milk or cream. If them in their natural state, fresh, ripe, perfect, it is almost impossible to eat too many. ar eat enough to hurt us, especially if we cat them alone, and not taking any liquid with them whatever. Honce, also, is butter-milk, or even common mil's, promotive of health in summer time. Seet milk tends to billiousness in sedentary people; sour milk is antag-onistic. The shepherds use rennet, and the milk dealers alum, to make it sour the sooner Butter-milk acts like vatermelons on the system

WAFERS The most certain and speedy remedy ever discovered for all Diseases of the Chest and Lunys, Coughs, Colds, Asthma, Consumption, Bronchitis, Influenza, Hoarssness, Difficult Breath-ing Sore Throat, &c., &c.

THESE WAFERS give the most instantaneous and perfect relief, and when preserved with according to directions, never fail to effect a ripid and last ing cure. Thousands have been restored to perfect health who have tried other menns in vain. To all classes and all constitutions they are equally a bless-ing and a cure—none need despair no matter how long the disease may have existed, or however se-

vere it may be, provided the organic structure of the vital organs is not hopolessly decayed.

To Vocalists and Public Speakers, these Waafers are peculiarly valuable; they will in one Day remove the most severe occasional hoarseness; and their regular use for a few days will, at all times, increase the power and flexibility of the voice greatly improving its tone, compass and clearness, for which purpose they are regularly used by many professional vocalists.
