HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in times past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the sanction of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangement and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their cares are so harassing that many of them sink under the trial. The relation of mother and child is so absorbingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED STOMACH BITTERS, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

AGENTS.—Lewis Schmidt & Co., E. D. Lawall, John B. Moser, Allentown; Jacob S. Lawall, Catasauqua; D. O. Saylor, Shoenersville.

There is no Cracker in the market that can surpass

WATER CRACKERS,

For which he received the First Premiums at the State Fairs of New Jersey, held at Trenton, Sept. 1858, and at ELIZABETH City, Sept. 1859.

HAVING introduced them into nearly all the principal stores in Allentown and Bethlehem, he merely asks those who have not tried them to do so and judge for themselves. Read the Certificate of Dr. James B. Coleman, of Trenton, N. J. where the Crackers are manufactured.

DR. JAMES B. COLEMAN'S CERTIFICATE.

The Wine Crackers manufactured by A. Exton, of Trenton, N. J. are composed of wheat flour, sugar, butter, lard, lemon and common salt. The delicacy of taste, lightness and crispness depend altogether upon the purity of material, mixing and baking.—They are easy of digestion, nutritive, and palatable, are excellent food for the sick as well as those in perfect health. The Water Crackers are equally pure. Their superior quality is owing to the skill with which they are manufactured.

Ladies of weak and sickly constitutions, should take the Invigorating Spirit three times a day: it will make them strong, healthy and happy, remove all obstructions and irregularities from the menstrual organs, and restore the bloom of health and beauty to the careworn face.

During pregnancy it will be found an invaluable medicine to remove disagreeable sensations at the stomach.

All the proprietor asks, is a trial, and to induce this, he has put up the INVIGORATING SPIRIT in pint bottles, at 60 cts., quarts $1.

DR. O. PHELPS BROWN'S ACADIAN BALSAM

FOR THE PERMANENT

CURE OF CONSUMPTION, BRONCHITIS, ASTHMA, COUGHS, COLDS, GENERAL DEBILITY, &c.

THIS remedy is offered as affording a means of speedy cure for the large number that die annually in our land of that fell scourge, Consumption, to which, unfortunately, so many predisposing causes exist. Youth and age are alike subject to its ravages.

EVERY PERSON

can name one or more of his acquaintances who is subject to some form of lung or throat complaint, which, if not attended to in season, inevitably consigns the sufferer to a premature grave. To such, help is at hand if they will but avail themselves of it, and hope,—the harbinger of brighter days,—may be awakened without fear of chilling disappointment. Dr. O. PHELPS BROWN'S ACADIAN BALSAM does just what is claimed for it, and may be relied upon by the sick as being the most successful in curing lung and throat disorders, of any remedy known at the present day. The many phases assumed by Consumption justifies the apprehension of those who have reason to fear its approach, either from constitutional or hereditary tendency.

While the discoverer of this remedy does not believe that people should be constantly dosing themselves with medicines

TO PREVENT SICKNESS,

there are many cases where disease is too long allowed to remain unchecked in the system; and a slight cough, regarded at first as simply an annoyance, ceases only with the life of the patient. An impure state of the blood, through debilitation of the lungs, fills the system with morbid humors, and pulsation becomes feeble or accelerated to a feverish intensity—the heart, liver, and kidneys, separately performing functions of vital necessity to our well-being, are impeded in their regular action—the digestive organs falter in their task, and refuse to perform the process of separating the nutritious elements from food, and the whole mental being is well-nigh ready to sink under the burden of life. The patient so afflicted, accounts his case a complication of disorders, and often refuses to resort to medication, from his thorough disbelief in any prospect of cure. To such

ASK THE TRIAL

of the ACADIAN BALSAM, as thoroughly worthy the confidence of all. Every symptom of Consumption is surely and permanently eradicated by its use. Its effects are none other but strengthening and renovating to the entire system. Bronchitis, Asthma, Coughs, Colds, and General Debility, are effectually cured by its use. Night-Sweats, Loss of Flesh, and Wasting away of the Muscles, Loss of Appetite, Soreness of the Throat, Chest, and Lungs, Liver Complaint, Palpitation of the Heart, Difficulty of Breathing—all these affections disappear in an incredibly short time after using Dr. O. Phelps Brown's Acadian Balsam.

It nourishes and strengthens the patient who is too much reduced to partake of ordinary food. It heals all internal sores, tubercles and inflammation. It strengthens, braces, and revitalizes the brain, and is without a rival as a tonic, supplying electricity or magnetic force to every part of the enfeebled and prostrate body. It needs no lengthy trial to convince any that the ACADIAN BALSAM is truly the greatest remedy of the day, as its beneficial qualities are fully apparent in eight-and-forty hours after trial.

Let the invalid, then, no longer delay, but make the trial, and the result will surely be of the most gratifying character.

The ACADIAN BALSAM is prepared with the greatest care, and the best materials. No pains or expense are spared to make it what it is—the best known remedy of the age. It may be taken by either sex, of all ages, and at all seasons, with perfect safety; and it is none the less powerful in conquering those diseases which sap the foundation and destroy the lives of so many in our midst. Every family should have it, and regard it as a household treasure.

VALUABLE TESTIMONY

From *Rev. Jacob Sechler*, well known and highly respected throughout the State of Pennsylvania.

HANOVER, PA., Feb. 16, 1859.

Messrs. S. W. FOWLE & CO., BOSTON.—*Dear Sirs*—Having realized in my family important benefits from the use of your valuable preparation,—*Wistar's Balsam of Wild Cherry*,—it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bott
