SEVEN GREAT BLESSINGS

SECURED TO THE HUMAN RACE

BY ONE BOTTLE OF

RADWAY'S

READY RELIEF.

1st.—If suddenly seized with pain or sickness, the use of RADWAY'S READY RELIEF will afford IMMEDIATE EASE and exterminate the threatened disease.

2d.—If suffering from any acute, inflamatory, neuralgic, rheumatic, miasmatic or other disease whether Rheumatism or Neuralgia, Cholera Morbus, Diarrhœa, Bilious Colic, Fever and Ague, Weakness in the Limbs, Back, Legs, Strains, Bruises, Burns, or any Pain or Infirmity, *Radway's Ready Relief* will quickly cure the patient, without occasioning loss of time, change of diet, or the use of other medicines.

3d.—If subject to Headaches, Sour Taste in the Mouth, Dizziness, Sickness at Stomach, Melancholy, Fits, Toothache, Loss of Appetite, General Debility, Coldness of the extremities, Swollen Joints, Nervousness, Restlessness, Difficult Breathing, Asthma, Sore Throat, Coughs, Colds, Influenza, Diptheria, Croup, Inflammation of the Bowels, Stomach, Kidneys, or Bladder, Radway's Ready Relief will afford immediate ease, and quickly cure the complaint.

4th.—*Rubbing the Spine.*—If afflicted with Spinal difficulties or with Diabetes, Incontinence of Urine, Irritation of the Bladder, Paralysis of the Sphincter or the Bladder, Sluggishness of the Kidneys, Leucchorrhœa, Whites, Fleur Albus, Falling of the Womb, and other uterine difficulties, Radway's Ready Relief rubbed the entire length of the spine for ten or twenty minutes, twice a day, will cure the worst cases. We have over 1000 well and authenticated cases where Radway's Ready Relief, by this method of application, has effected permanent and speedy cures.

5th.—All who, by exposure to hard service, either military, or naval, otherwise, or by the use of mercury, have contracted painful diseases, and are suffering from Rheumatism in any form, pains in the joints or limbs, Palsy or Paralysis, Weakness, Coldness in the Extremities, and all pains and aches, lameness, and other infirmities, will be quickly cured by the use of Radway's Ready Relief.

6th.—If the community is threatened with any infectious disease—either Small-Pox, Yellow Fever, Typhus or Typhoid Fevers, Radway's Ready Relief is the best disenfectant in the world, and a sure preventive, to those who use it, against attacks of these maladies. In cases of Inflammation of the Bowels, Bilious Colic, Painters' Colic, or any active inflammatory disease, the Ready Relief will immediately afford ease and comfort. It possesses marked advantages over all preparations of opium, morphine, veratrine, and other opiates and narcotics. It lulls pain, by imparting strength and vigor to the system, and arousing the vital energies to a healthful action, instead of paralysing the perceptive faculties, and making them insensible to pain. Let those who would live and enjoy health use *Radway's Ready Relief.*

7th.—To all who are sick and in pains, use the *Relief.* It can do no harm, and will surely do good. Persons who are weak, nervous and debilitated, a teaspoonful of the Ready Relief in a wine-glass of warm water will do you more good than all the Bitters in the world—keep your stomach clean and healthy, your breath sweet, your nerves strong, your spirits happy, your appetite good, and your digestion regular. A dose taken at bedtime will insure calm and pleasant sleep.

This Remedy is truly a Family medicine. It can be used with the positive assurance of doing good in all cases where pain or uneasiness exist.

It is the cheapest medicine in the world. One fifty cent bottle contains more medicine, as well as being a superior medicine, than one dollar's worth of the ordinary pain-kiers, liniments, &c., of the day.

One fifty cent bottle of *Radway's Ready Relief* will do more good, and can be used for more purposes, than ten dollars expended for any other medicine in use.

READ WHAT MRS. WESTCOTT SAYS,

FIVE HUNDRED THOUSAND OTHERS SAY THE SAME:

MRS. WESTCOTT,

AN EXPERIENCED NURSE OF WINCHESTER—READ WHAT SHE SAYS:

"Your Ready Relief and Regulating Pills do our family more good than all the physic and doctors we have had for years. If I have the headache I take Radway's Ready Relief and one bottle of the Pills—in an hour I am all right; if pain in my bowels, Radway's Ready Relief gives me ease and comfort; if rheumatism I use the Relief; if sore throat or horseness, I use the Relief; if neuralgic pains shoot about my body, I stop them with the Relief; if I catch cold, I take the Relief; if toothache, or earache, or facenche, I apply the Relief—in a few moments all these severe pains are lulled. If my children fall and bruise or otherwise hurt themselves, the Relief removes the pain and dissoloration of the skin; if they burn or scald themselves, the Relief takes out the fire and draws them from anguish. I could not sleep without a bottle of Radway's Ready Relief within my reach; so with the Pills, the very moment my stomach or bowels are out of order, one of Radway's Pills is all that I require to restore my system to order and regularity."

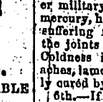
Important Notice

FROM

M. G. BROWN,

No. 410 Arch Street, Phila.



FROM a life of study, observation, and experience, and years of practical application of my "Metaphysical Discovery" on thousands of diseased men, women and children, I have justly come to the conclusion that every family in the land, who wish to get rid of disease and keep it at bay, must have my Metaphysical Discovery always on hand. It is a certain preventative against disease, consequently the effects die, beginning with Diarrhœa, Catarrh, Rheumatism, Neuralgia, with every disease man, woman or child is heir to.

It is the only safeguard against Cholera. It cleanses every power of the human body, hardens the flesh, and purifies the blood. In consequence of the above facts, I have this day reduced the price, so as to leave no barrier in the way of the diseased.

The package consist of three bottles, one used for the Eyes, one for the Ears, and one for the Scalp.—These three work in conjunction, passing into the system by absorption, thus killing the very root of the disease, which is in a specific locality in the head.

My Metaphysical Discovery is packed in a neat wooden case, and will be despatched to any part of the world on receipt of the price, which will be, from this 25th day of November, sold at $4 per package, or three packages $10.

Celebrated Four Richard's Eye Water. Large size, $1 per bottle, or six bottles for $5. Small size 50 cts., Scalp Renovator $1, or six bottles for $5.—The medicines can be obtained through your druggists, or at the Depot, No. 410 Arch street.

The following letter is one of the many which I receive daily at my different offices:—

REMARKABLE CURE.—*Catarrh, Asthma, &c.*

Mrs. Cunivan, residing at No. 62 Allen street, Boston, says: "I have been troubled for four years with sore throat. For two years I suffered with catarrh and great dizziness in my head, almost causing me to fall. I suffered greatly with asthma, it being hereditary in the family. I was diseased all over. I could not go where there was any dust. I had great pains in my head and neck. I have suffered much with cold feet. The bones in my neck were drawn out of place with the asthma, and my throat looked like raw beef. After applying to various physicians and obtaining no relief, I finally applied to Mrs. M. G. Brown, by whose medicines I have been so much benefited that I am now like another woman. Formerly the least exposure gave me cold; I could not go to the door with my head uncovered without an attack of the asthma. My asthma is now entirely gone. My catarrh has wholly disappeared. I felt weak and languid for many years, so that I was a burden to myself. The coldness of my feet has disappeared, and I feel a general circulation through my entire system, causing me to be, as formerly, full of strength and vivacity, and can attend to household duties as well as ever I did in my life."

It is the only safeguard against disease, including CHOLERA. It cleanses every power of the human body, hardens the flesh, and purifies the blood.

The Celebrated POOR RICHARD'S EYE WATER is the key which opens the door to the health of both mind and body. Let all use it morning and night.

What Family Government is.

It is not to watch children with suspicious eye, to frown at the outburst of innocent hilarity, to suppress their joyous laughter, and to mould them into melancholy little models of aged gravity.

And when they had been in fault, it is not simply to punish them on account of the personal injury that you may have chanced to suffer in consequence.

Nor is it to overwhelm the little culprit with angry words; to stun him by a deafening noise; to call him by hard names, which do not express his misdeeds; to load him with epithets which would be extravagant if applied to a fault of tenfold enormity, or to declare with passionate vehemence that he is the worse child in the world and destined for the gallows.

But it is to watch anxiously for the first risings of sin, and to repress them; to contract the earliest workings of selfishness; to repress the first beginnings of rebellion against rightful authority; to teach an implicit and unquestioning and cheerful obedience to the will of the parent, as the best preparation for a future alleiance to the requirements of a civil magistrate, and the laws of the great Ruler and Father in Heaven.

It is to punish a fault because it is a fault; because it is sinful and contrary to the commands of God, without reference to whether it may or may not have been productive of immediate injury to the parent or others.

It is to reprove with calmness and composure, and not with angry irritation; a few words, fitly chosen, and not with a torrent of abuse; to punish as you say you will, and not threaten only when you intend to punish; to remember to perform; to say what you mean, and infallibly do as you say, as in the sight of Him who gave you authority, who will reward your strict fidelity with such blessings as he bestowed on Abraham, or punish your criminal neglect with such curses as he visited on Eli.

Catching Cold.

A valuable lesson may be learned from the fact that common colds were almost unknown in our army during the late war.—Men were exposed to cold and wet long continued, so that during cold storms of winter, men often were wet as long as the storm continued, and until their clothing dried upon them when the storm ceased. If this proves anything, it proves the falsity of the common complaint that one has been out too much and has caught cold. The truth is, he has been in too much.

You keep close by a warm fire with heavy clothing on nearly all your time, and the first time you meet a blast of cold air with all the pores of your body relaxed; and your whole system enervated by heat, you catch cold, and then comes Ipecac, Squills, Seneca, and Dr. Cure-all's Cough Syrup, and Dr. Dose-em's Expectorant, all because you have kept too near the fire, and then you say, I can't go out without catching cold. Take a dose of God's own cold air every day, and you will find time, money, and many a pain and ache saved; and if you will add good doses of cold water on the outside, you will find that heaven's own air and earth's pure fountains are the best of cures, and the most certain preventives of disease.—*Army Surgeon in Presbyterian.*

PRESIDENT JOHNSON ON TOTAL DEPRAVITY.—In a recent conversation with a minister (from whose lips we have the statement) President Johnson said, "When I used to hear you ministers preach on total depravity, I always thought that you were exaggerating a theological doctrine without warrant in fact. But I tell you, sir, I believe it; you are in the right of it. I have seen so many men in whom I had trusted all my life, and whom I regarded as true and good men, give themselves over to the worst crimes—lying, perjury, fraud, treason—in this hellish rebellion, that I am satisfied that every one has the devil in him, and that nothing but the institutions of law and religion keeps it from breaking out."

TOUCHING VALEDICTORY.—The following is the farewell address of a western editor to his readers: "The undersigned retires from the editorial chair with complete conviction that all is vanity. From the hour he started his paper to the present time he has been solicited to lie upon every given subject, and can't remember ever having told a wholesome truth without diminishing his subscription list or making an enemy. Under these circumstances of trial, and having a thorough contempt for himself, he retires in order to recruit his moral constitution.

We know some editors who would do well to follow his example.
