DR. J. H. SCHENCK, THE GREAT LUNG DOUTOR OF PHILAD'A OFFICE N. Y. & GALERA LEAD Co,) No- 28 Nasrau St , New York, Jone 1, 1865-Dr. J. H. Schenck-Dear Sir: For over fifteen years I have been troubled with a very sever cough, and usually two or threatimes a year with more or less hemorrhage, which together, for the last few years, has kept me thin in 18ch and too weak to do business of any bind without suffering-In August last I had a very severe homorrhuge, and, according to the judgment of a good New York physician, I was classed as beyond the reach of medicine, and was advised to be prepared, so far as property matters were concerned, to loave this world at short notice. The physician (and my good friends) said that the first cold I took must prove fatal- Early in January I took a severe cold, and fortunately was occupying rooms at No. 32 BUND ETREEF, directly over your clice. I think about the 16th of January I produced a bottle of your Pulmonic Syrup and commonced taking it freely-My feet and limbs were very much swotten, and all the symptoms of a speedy death seemed to accompany my cold; I sent for my former physician, and stated to him that I was taking your medicines, and after showing them to him, and naving tasted of them, &c; he repried: "You can take them if you like, they will do you so harm." He said: "You know what I talk you have tammer, and lesy the same now, if you have any outlaces to closedup, do not put it off." He said to other friends that he "could see he hope for me," and my friends and relations concluded my time had come; At this time I was taking freely of your medicine, but had not seen you. The doctor called a tow times, and found me (much to his surprise, he said,) improving, and he could not understand why. My faith was increasing in your medicines, and I had a wish

I doem it but justice to you to state the benefits derived from your treatment of cancer. I had the cancer five years on my lower lip, which extended along the inside of the lip and on the guess. I am very themseful that I was never operated upon. Any afficient with this dreadful disease should call on the Misses Haklean; see for themsefus amounts compared to the taken.
