Springfield, Delaware county, Pa., Jan., 12, 55. Misses Hinklo.—As a sense of gratitude to you for the cure of my cencer, I deem it prudent to have it acknowledged in the papers, that it may be the means of benefiting others. I was attacked on the left breast with a suspicious tumor, and applied to a physician to examine it; it proved to be a well-defined cancer, and it was treated as such, but became flued cancor, and it was treated as anoh, but became gradually worse, until it became evident that I had to obtain relief or losse my life. And hearing of the many cures that you had performed, I placed myself under your care, and that the disease has all been eradicated I have not the hightest doubt.—Over three years have intervened, and the diseased point is as sound as any part of my body.

To the afflicted. In manage certify that I was for more than twenty years all cood with a cancerous tumor. I applied to three or four different dos-tors. All agreed in pronouncing it a very danger-us cancer, bur neither gave me much encourage-ment that it could be cured. Fortunately I beard of the Misses Hinkle. I placed myself under their hands immediately for treatment, and in a short time was entirely cured; it being immediately un-der the corner of the eye, but by their superior skill and careful attention it was entirely remived, without the least i jury to he eye, or searcely leaving sears. I do must confidently recommend an who may urfortunately be afflicted with caucer, to make

immediate application to the Misses M. and H. Rin-kie, 254 N. Thirteenth street, Philadelphia. JUDAII WEAR, 605 Brown Street. Philadelphia, Jan., 3, 1865.
