CANCER CURED!

CERTAIN CURE FOR CANCERS, TUMORS and Tetter.—By Misses M. and H. Hinkle, No. 254 N. THERTEENTH Street, telow Vine, Philatelphin, where can be obtained at any time the Tet-er Ointment, which has effectually cured Tetter of fifteen or twenty years standing. Salves for Rheu-cutem, Piles, Corns, wrysipelas, Felous, and Pilis for purifying the blood.

I was afflicted with the Cancer on my right thigh I was afflicted with the Cancer on my right tags or fourteen years, and being recommended by a late who had been cured by the Misses Hinkle. I laced myself under their tro-mentrand it is now as months since a perfect cure has been made any of my friends had given me up as seing increable, therefore I return many thanks to the disses Hinkle for enving my life. I am now in the blowment of good health. HANNAH HORNE, springfield, Dolaware county, Pa., Jan., 12, 165.

Misses Hinkle.—As a sense of gratitude to you for the cure of my cancer, I deem it prudent to bave it acknowledged in the papers, that it may be the means of benefitting others. I was attacked on the loft breast with a suspicious tumor, and applied to a physician to examine it; it proved to be a well-defined cancer, and it was treated as such, but became gradually worse, until it became evident that I had to obtain relief or loose my life. And hearing of the many cures that you had performed, I placed myself under your care, and that the disease has all been eradicated I have not the slightest doubt.—Over three years have intervened, and the diseased point is as sound as any part of my body.

JUDAH WEAR, 605 Brown Street.

Philadelphia, Jar., 3, 1865.

This is to certify that I was afflicted with the Cancer back of my left ear for ten years. I tried several skillful physicians of the city, but all afforded me no relief. I heard of the Misses Hinkle, and resolved to make one more effort, and that, I am pleased to inform the public, has been successful.—This wonderful are was made in two months, and leserves to be placed on record, that others afflicted with the same disease may know where to obtain a certain cure. DANIEL HOWARD, 1422 Vine Bt.

Cancer can be Cured.—I know that such statement is true, for having suffered many years with the ancer on my shoulder and also on the foot, enduring excruciating pain at times, I was recommended to try the Miss-s Hinkle, residing at 254 N Thiroenth stroot, Philidelphia. I applied to her, and is a now fourteen years since the cure was made, and I have never any symptoms of a return.

To the sfil cod with Cancer.—It is my desire, in outlishing these brief ince, to do good to the afficted. I was troubled with a cancerous tumor on my eg, helow the kace, and my sufferings were intense. Medical to ariment was procured, but, finding no reiof, the disease still spreading, it was thought amputation would be necessary. I was advised, before going on any further, to try the Misses Hinkle. I did to, and do now rejoice that through her treatment my life has been spared. It is now two years since a cure has been made.

I deem it but justice to you to state the banedie derived from your treatment of cancer. I had the cancer five years on my lower lip, which extended along the inside of the lip and on the guns. I received medical advice, and a day was set for the operation to be parf rmed, but hearing in the meanime of the many curs performed by the Misses itinkle, I determined to my their treatment before using the knile, and in five months my lip was as sound as ever. I am very thankful that I was never operated upon. Any afflicted with this dreadful disense should call on the Misses Hinkle and see for themselves numerous cancers that have been taken out, with city references.
