J. LIETTE, C. E., Oct., 12, 1864.

DR. John Radway & Co., Montreal, C. E.—For four years I have suffered with Dyspepsia, Loss of Appetito, Sinking Pains at the Fit of the Stomach, Nervoueness, Bad Droams, and very little Sleop; my appetite entirely gone and my stomach so wook as to be unable to digest the most simple food. During this time I lost forty-five pounds of flesh (or weight as you may ca'l it.) I was induced to the weight as you may call it.) I was induced to take your Regulating Pills as prescribed in your Almana. I used only one box, and before I completed the box my appetite was restored to me, my stemach perfectly healthy, my dyspepsia, bad dreams, and other disagreeable symptoms cured and was restored to my original weignt; so that one box of your Pills cured me of a disease that for four years had made me miscrable, and gave me forty five pounds additional weight. I have taken many kinds of pills, but I believe Dr. Radway's Pills the best in use. JNO. DESCHAYS, Ville Joliette, C. E.

Blue Mass, and other preparations of Mercury, actually produce more suffering and death than the diseases which they profess to cure. And yet this corregive mineral so dehounced by the allopathic doctors, is prescribed by them almost universally in Liver Complaint, Consumption of Lungs, &c.

THE MANDRAKE PILLS are composed entirely of roots and herbs, obtained from the great storehouse of Nature, and their sal-utary effects will appear as soon as the medicine is rought to the test of a fair experience. Schenck MANDRAKE PILLS do not produce any nausen or sickness of the stomach; but when given for Dyspepsia, if may be proper to use them in connection with SCHENCK'S SZAWEED TONIC. By this judicious trentment the digestive faculties are speedily restored to their full vigor, and the worst cases of indigestion may be cured. When we reflect that the liver is the largest internal organ of the body, that to it is assigned the important duty of filtering the blood and preparing the bile, that it is subject to many disorders, and that when it is discarded or inactive the, whole body that when it is diseased or inactive the whole body suffers sympathetically, it is not surprising that a medicine which can restore the healthy operations of the Liver should produce wonderful changes in the general health, and effect cures which may appear to be almost miraculous. Headache of long continuance, severe pains in the side, breast and shoulders, aching of the limbs, a feeling of general weakness and wrotchedness, and other alarming and libertesing amputing indicating of imperfact or livelusing asymptotic productions of invaluable. DR. SCHENCK'S MANDRARE FINES.

DR. SCHEROK.—Dear Si: I take pleasure in sending you a certificate in addition to many you have already received from suffering humanity. I Coughs, Colds, can scarcely find language sufficiently strong to express my heartfelt graufication of the wooderful cures your MANDRAKE PILLS and SEAWEED TONIC have effected in the entire cure of one of the most stubborn cases of the affection of the liver. For three years I suffered beyond description; all my friends, as well as myself, came to the conclusion that my time in this life was short. Such was the terribte condition to which I was reduced that info to me had become a burden; my whole system was in a state of inflamation; I could not eat, I could not sleep; my whole body was filled with pain; swelling would arise in my wrist and ankles, rendering them totally useless. On several occasions I was attacked with a rush of blood to the head, which would fell me to the ground, and I would be carried away for dead. I applied to several eniment physicians of our city, who adminishe most stubborn cases of the affection of the live: eral eminent physicians of our city, who adminis-tered all the medicines that they thought would reach my ca-e, but of no avail.

One of them said he could do no more for me, and

advised me, as a last resort, to drink cod liver oil. Not relishing the horrid trash I declined to take it. Accident put your advertisement in my hards. I called on you; you examined me and told me the nature of my disease. You then ordered us the Pills and Touic with an observance of diet, pledging your word that in one week I would find myself another man. I followed your advice, and, as you predict od, an astonishing cure was effected. I continued your Pills and To.io for some time, and now thank God for his goodness, and your valuable medicine, Formerly Printers' Ink Manufacturer.

class of complaints arising from Impurity of the Blood. The Blood.

This compound will be found a great promoter of health, when taken in the spring, to expet the foul humors which fester in the blood at that season of the year. By the timeblood at that season of the year. By the time-ly expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous

whenever it is foul, and your feelings will tell you when. Even where no particular disorder you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsapavilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations,

Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsapathey not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised, and has become synonymous with imposition and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it.
